Jan. 24, 2012

Dear Junior Member:

Enclosed you will find information concerning the 2012 AHA Junior AI program. Included in this packet are: nomination form, the 2012 Jr. AI sire listing, AI stud location list and information outlining the Jr. AI program. One packet is being sent to each household, so feel free to make copies of the nomination form.

If you were an exhibitor in a 2011 AHA-sponsored junior heifer show, you are eligible for the program.

To apply:

1. Review all guidelines in the Jr. AI Program outline. Please note: All semen handling and shipping expenses will be your responsibility.
2. Make your selections from the sire listing. Only bulls listed are eligible for the program. You must list 10 different sires. All nomination forms with less than 10 sires listed will be disqualified from the program and you will not be contacted regarding your disqualification.
3. Complete the nomination form and return to the AHA Youth Department by Feb. 10, 2012. Forms postmarked after Feb. 10 will not be accepted for the Junior AI Program.
4. This program only applies to one heifer nomination per junior member. Your membership dues must be current to qualify for semen thru this program.

Please remember that AI certificates received through the Junior AI Program may be used for any female recorded in your name. However, to be eligible for the program, you must have exhibited a heifer in a 2011 AHA-sponsored show.

Thank you for your interest and enthusiasm in this program. If you have any questions, please feel free to call the AHA Youth Department.

Sincerely,

Amy Cowan
Director of Youth Activities
