

State Voting Delegate Form

Special Note: It is the recommendation of the NJHA Board of Directors that state voting delegates should be at least 16 years of age as of Jan. 1 of the current year.

Delegate Nomination Deadline – June 15, 2009

Two voting delegates may be named from each state to represent that state during the national director election. For states with two associations (one polled and one horned): each segment of that association may select one voting delegate, to equal the two per state. National Director Candidates may not serve as voting delegates.

There will be a “Meet the Candidates” round-table dinner/discussion for the state voting delegates and the national director candidates during the Junior National Hereford Expo as well as the National Membership Meeting. **All state delegates are required to attend the dinner and round-table discussion.**

State Association: _____
