

2006 Dams

of Distinction

The Dams of Distinction program recognizes superior cows in the breed and the cattle producers who manage them based on data submitted to the American Hereford Association (AHA). Efficient, fertile and productive females are the foundation of most successful cow herds.

To be honored as a Dam of Distinction, a cow must have:

1. Weaned a calf born since Jan. 1, 2005.
2. Produced at least three calves.
3. Initially calved at 30 months of age or less.
4. Had an interval between the first and second calves of no greater than 400 days. In addition, a 370-day calving interval must have been maintained after her second calf. The longer initial calving interval allows breeders to calve 2-year-old heifers prior to the mature cow herd.
5. Every calf produced that was born before June 30, 2006, must have weaning records submitted to the AHA Total Performance Records (TPR™) Program.
6. A progeny average 205-day adjusted weaning weight ratio of at least 105.

A cow receiving the Dam of Distinction honor is a cow that meets the highest standards of commercial cattle production. The cow must do her job, but also her owner must manage the herd correctly to give her the opportunity to excel. Only a few active cows are recognized. All heifers have the potential to be a Dam of Distinction, but only a small percentage fit the job description of an ideal cow year in and year out.

The 2006 Dams of Distinction list recognizes 1,927 Hereford cows from 611 Hereford performance herds in 43 states. For 26 years Rausch Herefords, Hoven, S.D., has led Hereford breeders with the most cows qualifying as Dams of Distinction. With 302 cows recognized, South Dakota is the top state this year.

Females attaining the Dam of Distinction status are recognized on the AHA Web site, Hereford.org, with "DOD" after their names when doing an "EPD Inquiry."

For more information about the Dams of Distinction program visit Hereford.org, click on "Whole Herd TPR" and then select "Dams of Distinction."

On the following pages you'll find a list of the top 20 states, the 20 Hereford breeders owning the most Dams of Distinction and a list of all breeders by state who own Dams of Distinction.
