4th Annual Elite Genetics Production Sale

October 21, 2016 • 1:00PM

Douglas, MB

RSK Farms
Leveldale Polled Herefords
Arthur Polled Herefords

www.rskfarms.ca
Welcome to the 4th Annual Elite Genetics Production Sale

When we first started this sale it was a small group of females offered solely online. We are extremely proud and pleased with how this offering has evolved over the past 4 years. The Hereford breed is still, and will continue to be one of the most exciting and rewarding breeds to be in. Congratulations to the CJHA on a tremendous Bonanza national show, one of the biggest and best attended to date.

There is an exciting group of females in this year’s addition of the sale, starting with the Leveldale reduction offering. These are tremendous young females with some powerful heifer calves at foot that will be an asset to any herd. They are an example of some of the best that Leveldale has ever raised! There is a new direction at Leveldale with Doug and Faye stepping back in the program. A new beginning with Amy and Jimmy Hunter and family continuing Leveldale Polled Herefords in Roblin, MB and Cody with Leveldale Cattle Company, Brandon, MB.

The RSK bred heifers are the type that will go out and become matron females; I would say some of our best to date, and carrying an exciting new Hereford service to Titleist 13C, a Red Bull son from Blair’s. The heifer calves are very interesting including the first Full Bottle female to sell in Canada. The cow families are strong in the offering this year, with many females tracing back to the Sage, Tamara and Magnolia families with the added feature of EU embryo opportunities from the heart of these cow families.

We are thrilled to have Arthur Polled Herefords, Tyler and Natasha Arthur, join the Elite Genetics Sale this year. They have brought a great group of females to the offering and we look forward to working with them throughout the future, with the female and bull sales.

The Elite Genetics Production Sale is CJHA sanctioned and will work closely with juniors on their purchases. As always sale videos will be online and if you need any assistance with any questions towards the offering please let us know. To anyone that cannot be with us on sale day, we will be working with Liveauctions.tv to provide live online bidding. Buy with confidence!

Throughout the years of sales, shows, travelling, touring and breeding we have made some great friendships over the years, and cannot wait to have many, many more. We invite everyone to join us at the farm the night before for viewing and refreshments, as well as sale day on October 21st at 1:00PM. Make it a Manitoba Hereford Sale weekend!

Cheers,

The Elite Genetics Sale Group

Terms & Conditions
Payment must be made following the sale by all buyers in attendance of the sale. An invoice will be mailed to all online purchasers following the sale. No animal shall leave the consignors until payment has been received. Any animal remaining at either ranch because of payment still owing after 30 days will be charged a fee of $3.50/day.

Each animal becomes the buyer’s risk immediately after the animal is sold. All purchases must be insured with your chosen representative.

Stockman’s Agencies—Lois McRae: 204-728-3058

All animals are sound and right, and all with a responsible breeder guarantee of satisfaction. All animals are guaranteed by the seller to be DLF, IEF, HYF. All animals are sold under the terms and guarantees set forth by the Canadian Hereford Association. Examinations shall have been conducted prior to sale on all serviced females.

Each animal is sound and right, and all with a responsible breeder guarantee of satisfaction. All animals are guaranteed by the seller to be DLF, IEF, HYF. All animals are sold under the terms and guarantees set forth by the Canadian Hereford Association. Examinations shall have been conducted prior to sale on all serviced females.

Each animal is registered through the Canadian Hereford Association. Each animals registration will be supplied to the purchaser after payment has been made.

Elite Genetics Sale Consignors will help each purchaser with arranging delivery on their purchase as soon as possible after the sale.

The US/Canadian Exchange Rate will be announced prior to the sale.

We are happy to assist with the paperwork and getting your purchases across the border. Sellers are responsible for health papers & transportation costs from sellers yard to the closest border port or export agent. Buyer covers Brokerage, Other Associated Fees, and Transportation costs from border port to their destination of choice.

Sellers Retain Show Rights On Any Animal For MLE and CWA 2016.

The consignors reserve the right to flush any female or draw semen from any bull that is on offer. This will be at the buyers convenience and the sellers’ expense.

All announcements from the auctioneer or seller will take precedence over the printed matter within this catalogue.

The owners, employees, their representatives and sale staff accept no liability for accidents that may occur and persons that attend do so at their own risk.

**MCCOY 32K CONNIE 131N {DLF IEF HYF}

- Connie 131N has been the most influential female in our herd over the past 12 years.
- We have used and kept offspring from her sons like Leveldale Resistol 18R, Leveldale Touchdown 15M 8T and Leveldale Sturgis 34X and daughters from her off of the Oakland 15M bull and the 1Y Rib Eye son we purchased from Phantom Creek Livestock.
- You will see a daughter off of her in the sale that is the same genetics as these embryos.
- Connie 131N is in 13 pedigrees of the females we offer in our sale.
- Now that’s a cow family that works!

**PCL Y NOT ME R117 ET 1Y {DLF IEF HYF}

- Powerful RibEye son who leaves beautiful females and stout bulls.
- Awesome udders with extra rib and pigmentation.
- Dependable genetics to start an awesome cow family.
- Look at his daughters in the sale.
- These are the genetics for you!

---

LEVELDALE CONNIE 1Y ET 26A {DLF IEF HYF}

- Direct Connie 131N ET daughter out of the 1Y RibEye bull.
- The kind we loved to raise and walk our pastures.
- Naturally thick, broody, picture perfect udder that could work in anyone’s program.
- Dark red in color, lots of pigmentation and highly maternal.
- Great donor potential to start a solid cow family here! Don’t miss out!
- Raised the reserve champion bull calf at the Manitoba field day who will be selling at the EG Bull Sale in March, 2015 Heifer calf last year was purchased by Richaud Stock Farm.
- Bull calf weaned August 27, 2016 WW 815 lbs
- Exposed to HWCW Banker 101B from April 23 to July 31. Observed bred April 29th. Safe in Calf.

LEVELDALE MS ULTRA 1Y ET 28B {DLF IEF HYF}

- Study her pedigree, this sale feature has it all in one package.
- Beautiful udder and heavy milking female for a two year old.
- Pigment everywhere you want it in a moderate deep sided package.
- Look at the job she did on her first calf off of McCoy Classified 53B!! He will be on display sale day and selling in our March EG Bull Sale.
- Bull calf weaned August 27, 2016 WW 815 lbs
- Full ET sister sold in last year’s sale to McCoy Cattle Co.
- Exposed to McCoy Classified 53B from April 23 to July 31st. Observed bred April 25th, Safe in Calf.
CONNIE 131N Cow Family

MHPH 101S WILDFIRE 101A {DLF IEF HYF}

- An outstanding Heat daughter that goes back to a Connie daughter on the dam side of the pedigree.
- Tremendous thickness and capacity.
- Sharp fronted with lots of femininity
- Broody female with lots of maternal production.
- Exposed to HWCW Banker 101B from April 23 to July 31st. Observed bred on May 10th. Safe in Calf

So it's not very often we offer up 2 daughters off of the great LPH 29W female let alone a Banker 101B combination.

LCC 12D is full of length, eye appeal, dark pigment, and superior genetics.

Watch for this standout on October 21st.

Nothing has been held back in this year's Elite Genetics Sale.

Here's a R117 granddaughter and a direct daughter of LPH 29W.

These 1Y females are flawless uddered females with loads of barrel and numbered exceptionally.

Bull calf weaned August 27, 2016 WW 750 lbs

Exposed to McCoy Classified 53B from April 23 to July 31. Observed bred April 25th.

Safe in calf.

So it's not very often we offer up 2 daughters off of the great LPH 29W female let alone a Banker 101B combination.

LCC 12D is full of length, eye appeal, dark pigment, and superior genetics.

Watch for this standout on October 21st.
**GHC 118X Cow Family**

**GHC MISS VICTORIA 118X**

- Our selection out of the GHC production sale a few years ago with her JSF Reload 59U daughter at side. We took the pair to start a new cow family.
- Highly maternal pedigree with Domino, Victor and Duster in it!
- Nice square udder, sharp fronted and deep sided.
- She has been a great producing female giving us 3 daughters and all keepers!!
- Exposed to McCoy Classified 53B from April 23 - July 31st. Observed bred on May 6th. Safe in Calf

**LEVELDALE VICTORIA 101B 21D**

- A beautiful dark red Banker daughter with a lot of thickness and eye appeal.
- She will make an outstanding female with this strong maternal pedigree
- 21D will build depth and substance into your cow herd!
**GHC 118X Cow Family**

---

**GHC MISS TANGO 106B**

- **A beautiful JSF Reload 59U daughter out of the 118X GHC Victoria female.**
- **Sharp fronted, lots of rib, capacity and has great markings.**
- **Look at the job she did on her McCoy Classified 53B daughter.**
- **Moderate framed and highly maternal. Her service will be exciting!**
- **Exposed to HWCW Banker 101B from April 23 to July 31st. Observed bred on April 25th. Safe in Calf**

---

**LEVELDALE MS TANGO 53B 3D**

- **The first McCoy Classified 53B daughter to sell.**
- **We are sure pleased with his first set of calves.**
- **Great color and pigmentation, sharp fronted with extra thickness are my first thoughts.**
- **One of Ryan Dorran’s favorites on pasture tour day!**
Oakland / Devo 7T Cow Family

TRIPLE-J OAKLAND 102M DEVO 7T {DLC IEF HYF}

- Another strong Sturgis 34X daughter raising a Banker bull calf.
- The type of females we like to raise at Leveldale.
- Old pedigree going back to the Varsity Vic 26D donor female.
- Dark red, lots of hair, great line and a beautiful udder.
- Bull calf weaned August 27, 2016 WW 750lbs

- Our pic and high seller of the McCoy/Beck 2015 Bull Sale.
- He is a calving ease specialist that leaves extra pigment, style, shape, substance and length.
- His calves are exciting and look for him to do great things in the future.
Choice of Hometown X Victor Sisters

I can’t say enough about the combination of Victor 719T and Hometown 10Y.
These two females will be an amazing addition to any herd as I believe that there is donor power written all over these two special Hometown lots.
Great substance, clean lined, correct structure, long made and fun to look at.
RSK 18C’s Maternal brother to Grand dam was a High Seller in the 2014 Bull Sale and AI sire for RSK Farms and the Grand dam of RSK 31C is going to pull donor ranks this next breeding year.
Both Entered for 2016 MLE and CWA

RSK 10Y MISS PRINCESS 31C

Choice of Hometown X Sage Full Sisters

- This is a definite gem of a lot, combining the maternal power of RSK 6U Miss Sage 64Y and the predictability of Hometown.
- Dark cherry red and goggled, these two females are full sure a stand out.
- Full Brother was a high seller to Medontie Highlands Polled Hereford in the 2016 Bull Sale.
- Dam was a 2 time Agribition class winner, MLE Champion Female and 2013 Bonanza Champion Female.
- Maternal embryos sell as Lot 27
Choice of Sage 23S Full Sisters

• Not too much to say here, everyone knows what this combination of breeding is capable of.
• Both of these full sibs are exactly like their full sister, dark red, shorthorn and goggled.
• There is style, and eye appeal, body, volume and correctness shining from this very special opportunity.
• Maternal embryos sell as Lot 36A.
• Maternal sister sells as RSK 42C Lot 25.
• Full sister is the well-known RSK 64Y, donor dam for RSK and HMS Hi-Cliff and National Champion who sold at Agribition.
RSK MOR 199B MISS SAGE 9D  {DLF IEF HYF}  

- I love the style that this heifer calf displays. She is very smooth made and quite angular with a structure and presence that can’t be missed.
- Coming from the Sage cow family and sired by Harlen 199B, this is the type of heifer calf that can add amazing maternal value to any herd.
- Maternal embryos sell as Lot 36B.
- Entered for MLE and CWA.
- Owned with Morshogs Farms, Bjuv Sweden

New walking herdsire out of the Denver Champion Hometown 10Y and the tremendous Unique 80W, a full sister to Walk Hard 154U.
- Harlen 199B was a high seller at the 2015 Harvie Ranching Bull Sale.
- He is made soggy and thick with great mass and muscle, deep sided and long spined he moves with power and confidence. Look for him to play a big role in our program.
- Service sire to RSK breds.

Freestyle x Sage, what else can be said. This bred female will be one that you will be proud to own.
- Dark cherry red with pigment and short marked, also carrying the service to Harlen 199B, her calf with just be awesome.
- Pasture exposed to Harvie AD Harlen ET 199B, Apr 10th to Jul 18th 2016. Safe in calf.

- This is the first Full Bottle Female to sell in Canada this year.
- She is a definite head turner. I love the body and depth that this heifer has and if she keeps on the same track will be a tremendous bred heifer and cow.
- Paternal embryos sell as Lot 27.
- Entered for MLE and CWA.
- Owned with Martin Chobotar, Vita, MB.

**3 EU Qualified Embryos**

**RSK 6U Miss Sage 64Y X Kanimbla Full Bottle H117**

**EG 27**

**CO2956528**

- Miss Sage 64Y is a supper soggy made high volume female out of the RSK Down Under 6U bull. She is exactly what we expect from him, and combined with the maternal power from RSK 23S, she will mother tremendous offspring. She has had a great show career to date, and we look forward to seeing what this great female has to offer for the future. Owned with Hi-Cliffe Polled Herefords.
- Her most noted progeny to date is RSK MNPH 10Y Can-AM ET 75C who was sold to Medonte Highlands Polled Herefords in the 2016 Elite Genetics Bull Sale.
- Daughters sell as Lots 22A and 22B.

**KANIMBLA FULL BOTTLE H117 {DLF IEF HYF}**

**CO3007461**

- This new outcross herdsire is dark, powerful, sirey, well hooded; EMA and IMF EBVs in top 10% combined with low birth EBV; Indices in the top 25%. We can’t wait to see what Full Bottle will have to offer.
- Sire of RSK Farms embryo lots.
- Owned with Harvie Ranching, Olds, AB.
Choice of Tamara and Magnolia Daughters

**RSK 4Z MISS MAGNOLIA 53C**

- The Tamara and Magnolia cow families have been incredible producers for many herds including Clay Enterprises (maternal sister to RSK 26C), OVHF (maternal granddaughter to RSK 26C), Faith Macdonald (maternal sister and granddaughter to RSK 53C) and RSK Farms.
- There is bull raising potential with these two outstanding female lots.
- Both females are super soggy with tones of added dimension and volume.
- This could quiet possibly be the last chance to acquire direct, original daughters from the Tamara and Magnolia cow families.

**RSK 4Z MISS TAMARA 26C [DLF IEF HYF]**

- Maternal sister to RSK 53C

**RSK 4Z MISS TAMARA 26C**
