

New! School of *MyHerd.org* Webinar Series

Do you need help with the new online registry system, *MyHerd.org*, or would you like to see how the new system works before signing up? The MyHerd team is hosting webinar sessions to provide detailed instruction on all features and tools of MyHerd. A webinar is a seminar or presentation that takes place on the Internet and allows participants from different locations to come together for a virtual presentation and to ask questions. Visit *Hereford.org* to register for a webinar session. **HW**

School of *MyHerd.org* webinar schedule

Whole Herd Total Performance Records (TPR™)

Participants will learn about the custom Whole Herd TPR to-do lists, will receive step-by-step instructions to report performance data (birth weight, weaning weight, yearling weight), and will learn how to analyze their calf crops and how to view reports. This session will be hosted at the following dates and times:

Whole Herd TPR reporting on *MyHerd.org*

March 3 at 7 p.m. CST

March 4 at 11 a.m. CST

Introduction to *MyHerd.org*

Join the MyHerd team for a webinar on how to get started with *MyHerd.org*. During this session, participants will learn about the customized home screen for pedigree and performance members. The team will demonstrate how to register calves in real-time and how to transfer owned animals electronically. This session will be hosted at the following dates and times:

Introduction to *MyHerd.org*

March 5 at 7 p.m. CST

March 10 at 11 a.m. CDT
