Vita Ferm® Is JNHE Title Sponsor

Vita Ferm®, a product line of BioZyme® Inc., has announced its \$35,000 title sponsorship of the 2007 Junior National Hereford Expo (JNHE).

Bob Norton, BioZyme Inc. president, explains that Vita Ferm gives financial support to the JNHE because it encourages young people interested in the future of production agriculture. Helping them along their way is a priority to Norton and his company. "We are merely stewards," he says. "If we don't take the blessings we've been given and try to return them, we're not doing our jobs as stewards. These young folks are our future."

And the futures of these young folks are often greatly influenced by the JNHE experience. Participants not only show cattle, but also compete in educational contests, interview for college scholarships, run for leadership positions and network at social activities. In short, the event helps prepare National Junior Hereford Association (NJHA) members to be leaders in the beef industry and their respective communities.

NJHA President Catie Sims compares the JNHE to the pinnacle of professional football. She says, "The JNHE is the Super Bowl of cattle shows to most Hereford juniors out there; this is a place where they are among their peers competing and having a great time all at once."

Sims recognizes that this "Super Bowl" couldn't be what it is today without outside financial assistance. She says, "It is crucial for sponsors like Vita Ferm to support us when taking on such a huge endeavor like the JNHE."

Vita Ferm was a key player in 2006, sponsoring the JNHE awards banquet. This year, contributions have been increased significantly to help offset facility and hospitality expenses.

BioZyme Inc. is an innovative company specializing in livestock nutrition and microbiology. Its Vita Ferm Nutrition System is a complete line of vitamin, mineral, trace mineral and protein supplements for livestock, formulated with high-quality ingredients for specific production phases and feeding situations. All supplements contain Amaferm®, an all-natural, direct-fed microbial that optimizes digestive functions and feed utilization. For more information, visit www.biozymeinc.com.

Your Support Is Needed

The Western States junior and senior Hereford breeders are working together to plan an enjoyable event for all in attendance. However, we need your financial support to help make the 2007 Junior National Hereford Expo (JNHE) a success.

There are several ways you can support the event and make a difference in the lives of agriculturally minded youth. With your assistance and the efforts of many volunteers, this event will be an unforgettable learning experience for all.

Contest and Scholarship Information

Advisor of the Year Award

This award recognizes one of the most important groups of people contributing to the success of the state associations and ultimately the success of the national junior organization. Each state junior Hereford association is encouraged to nominate their advisor(s). Nominations are due at the American Hereford Association (AHA) Youth Activities Department by June 1.

Ed Bible Memorial Scholarship

National Junior Hereford Association (NJHA) members who graduated from high school during the current school year or are students in a post-secondary school are eligible. Scholarship criteria and applications are available from the National Organization of Poll-ettes (NOP) directors.

Golden Pitchfork Award

This award will be presented to one state association during the Junior National Hereford Expo (JNHE). The Golden Pitchfork Award was developed to encourage junior exhibitors to work together in the display of their cattle, as well as to create state pride during the JNHE. It is presented to a state association that displays a combination of cleanliness, uniformity in stalling (such as exhibitor cards, panels, etc.) and additional decoration of the area representing the state.

Great American Hereford Grill-off

Hereford chefs of all ages should bring their imagination, aprons, Certified Hereford Beef® (CHB) recipes and creativity for food preparation to the Great American Hereford Grill-off this summer. The event, sponsored jointly by the American Hereford Women (AHW) and the NJHA, will debut this year. A panel of judges will evaluate the cook-off entries. Winners will be selected in the categories of showmanship and recipe development.

Herdsmen of the Year Award

This award will be presented to one NJHA member during the JNHE. A nomination committee will observe exhibitors throughout the week and nominate individuals accordingly. The nominees' fellow exhibitors will make

the final selection during a ballot vote prior to the JNHE awards ceremony.

Hereford Herdsman Scholarship

Sponsored by the Hereford Youth Foundation of America (HYFA) in cooperation with Hereford herdsman, the Hereford Herdsman scholarship honors young men and women who take great pride in exhibiting and presenting their Hereford cattle at junior Hereford events. Two scholarships are awarded.

Hereford bowl

The primary objectives of the Hereford bowl are to allow NJHA members to demonstrate their knowledge of Hereford cattle, show good sportsmanship, and to provide an educational experience for both participants and spectators in a quiz bowl format.

Illustrated speech contest

Sponsored by the NOP in cooperation with the NJHA. The contest's objectives are to develop character and leadership in Hereford youth while stressing education to stimulate and promote interest in the beef industry and to project Herefords in a positive light. The AHA must receive entries by July 1. There is no specific topic; however, speeches must relate to the beef cattle industry.

John Wayne Memorial Scholarship

The HYFA and the AHW award two college scholarships to NJHA members who make outstanding contributions to agriculture and the Hereford industry.

Judging contest

Contestants can compete individually as peewees, juniors, seniors or adults. Awards will be given to the top four-member junior and senior teams and high individuals in each division.

Junior Golden Bull Award

Three Junior Golden Bull awards will be presented during the JNHE. The award is a Junior Golden Bull bronze trophy and is sponsored by the AHW and the NJHA. Applications should be sent to the AHA, postmarked no later than May 1.

Junior Merit Award

The Junior Merit Award is designed to recognize outstanding college-age junior members and to provide them with further higher education opportunities. The award encourages individual and cooperative effort, enthusiasm, excellence, leadership and achievement, and singles out those who are promising Hereford breeders and beef industry members. Applications must be submitted to the AHA by June 1. To receive an application, contact the AHA Youth Activities Department.

NJHA Mentoring Program

The NJHA mentoring program is an opportunity for junior Hereford members to utilize their experience at the JNHE to assist first-time exhibitors at the event. It gives juniors of all ages the opportunity to meet and interact with other juniors from different states and to learn about the many opportunities for participation during the weeklong JNHE.

Outstanding state member

One junior member in each state with junior participants at the JNHE will receive this award. Awards are made in cooperation with state junior associations. Judging of individuals should be based on sportsmanship, cooperation with fellow participants/guests, attitude and work habits. Individual states will conduct their own counting of votes and relay the state winner's name to the NJHA board of directors on official ballot.

Peewee speech contest

Peewee speech is strictly a participation activity for NJHA members up to 9 years of age. The NOP, in cooperation with the NJHA, sponsors this contest.

Photography contest

Photographs should include Herefords or an activity related to Herefords. This contest is sponsored by the NJHA and *Hereford World*, and offers several different categories for entries. Please refer to the official rules list for complete information regarding the photography contest.

continued on page 42 ...

Poll-ette Founders Scholarship

This scholarship honors the women who laid the foundation for the NOP. Two \$750 scholarships are awarded to NJHA members, one male and one female, to continue financing their education.

Promotional poster contest

Sponsored by the NJHA, the objective is to promote the JNHE in Denver.

Prospect Award

The AHW and the NJHA sponsor this award. One Prospect Award for each grade, levels 3-8, will be presented at the JNHE. Applications must be sent to the AHA, postmarked no later than May 1.

Showmanship contest

Contestants are judged on appearance and showmanship ability except for the final round of the senior division, where animal grooming is also evaluated. Divisions are peewee, junior, intermediate and senior. Youth do not have to show their own animal, except for peewees, who must show their own or one owned by an immediate family member. The animals exhibited in the contest must be entered in the JNHE.

State scrapbook contest

The purpose of the junior association scrapbook is to provide a year-to-year record of the association and its members' activities. Judging is based on completeness and content, artistic balance and eye appeal, and originality of material selected for inclusion.

Team fitting

All contestants must be members of the NJHA, as well as members of the state junior association they are representing. The three-member teams should be made up of at least one peewee, one junior and no more than one senior. Teams will have 45 minutes to fit their heifers for a panel of judges. A team must provide their own animal and supplies.

Team marketing

The main objective of this contest is to encourage team participation while promoting the importance of communication skills, marketing technique and an understanding of performance and pedigree information. Each state may enter one junior and one senior team. Each team will try to convince the judges that they should purchase the team's entry by discussing pedigree and performance information, as well as visual characteristics.

Walter and Joe Lewis Memorial Award

The Walter and Joe Lewis Memorial Award is one of the most coveted awards a junior member can win at the JNHE. Three finalists are recognized for overall achievement in leadership, teamwork, skills and competition. Selection of the award winner relies on a point system for participation in junior programs and activities. To be considered for the award, juniors must complete the application and return it to the AHA Youth Activities Department by June 1.

Looking for something fun to do while you're in Colorado for the Junior National Hereford Expo (JNHE)?

Check out Clear Creek Rafting Co. — Clear Creek's original, largest and most experienced outfitter. JNHE exhibitors and their families are invited to experience Colorado's whitewater and take a trip with Clear Creek Rafting Co. staff.

Located just 45 minutes west of downtown Denver, a Clear Creek beginner trip is scheduled for July 9. The trip will be a great introduction to whitewater and is suitable for participants ages 7 and up. The discounted price is for Monday only as an organized activity. If enough people are interested, transportation will be provided at a nominal cost and will leave the National Western Complex at 7 a.m.

Cost

The cost of the trip is \$31.20 for ages 13 and older and \$24 for ages 7-12. The price does not include the cost of transportation, which is \$10 per person.

The group will spend approximately 1½ hours riding the waves of the Clear Creek. The entire trip will total four hours, including transportation to and from the National Western Complex.

What to wear, bring

Shorts (preferably nylon) or a swimsuit. Tennis shoes and wool socks, or sport sandals with an ankle strap (no flip-flops). Cool-weather gear (avoid cotton; choose fleece, polypropylene or wool). Bring sunglasses and sunscreen! Don't forget dry clothing and a towel for after the trip.

Responsibility

Clear Creek Rafting Co. guides are qualified professionals trained in river rescue, first aid and CPR. River trips, by their very nature, involve a certain amount of risk. You participate in river rafting at your own risk.

Clear Creek Rafting Co. and the 2007 JNHE Committee require that you acknowledge these risks by reading and signing a liability release prior to departure. Minors (under 18) MUST have a liability release signed by a parent or guardian. This form MUST be provided to your group leader BEFORE boarding the bus at the National Western Complex. The release will be available upon check in at the fairgrounds. If the response is more than 200 people, we may have the option of having a trip on Sunday as well. Please respond on or before June 1, with a check to ensure your spot on the rafting trip.

Cancellations

The trip will go rain or shine. If you arrive with less than the number of people booked, or fail to show up, you will be charged full price for each spot reserved. Payment is strictly non-refundable unless cancellation is made by June 25.
