### Still Time to Register for Hereford Young Guns

Hereford producers ages 22-45 can still register for the third Hereford Young Guns Conference, Aug. 22-24. The event will be at Harrah's North Kansas City Hotel and Casino. Online registration is available at [HerefordYoungGuns.com](http://HerefordYoungGuns.com).

The program will feature dynamic speakers who are beef industry leaders. Topics will range from Hereford efficiency to the effect of ethanol on the beef industry, and speakers will explain how the Hereford breed is measuring up in research projects across the nation. Conference attendees will gain valuable marketing ideas and learn

from industry friends about tools and programs available to seedstock and commercial Hereford producers.

### Calling for golden, century breeders

In 2004 the AHA recognized golden and century Hereford breeders — those breeders who have been

committed to producing Hereford genetics for more than 50 or 100 years. If your farm or ranch has celebrated its 50th or 100th year in the Hereford business since 2004, we'd like to recognize your achievement. Contact Jack Ward at [jward@hereford.org](mailto:jward@hereford.org) or (816) 842-3757 to report your anniversary date. A list of those recognized in 2004 can be found on Page 22 of the December 2004 *Hereford World*. **HW**
