

Herman, Day Win Bred-and-Owned Bull Show

Fifty-nine bred-and-owned bulls competed for grand and reserve champion honors at the ninth annual Junior National Hereford Expo (JNHE) in Kansas City, July 17. Jiri Buck, Madill, Okla., judged the bulls. "It is overwhelming the quality these juniors are exhibiting in the bred-and-owned bull show," Buck says. "It is an amazing championship line up."

Kasey Herman, Skiatook, Okla., captured grand champion bull honors with STAR KKH SSF Bright Kelly 408 by STAR Bright Future 533P. His

expected progeny differences (EPDs) are birth weight (BW) 4.2; weaning weight (WW) 46; yearling weight (YW) 79; maternal milk (MM) 20; and milk and growth (M&G) 43. Buck commented that in the final drive Herman's entry was impressive for his size and age.

The reserve grand champion bull, KLD Transformer D72 ET, a son of Remitall Online 122L, was exhibited by Kirbie Day, Waxahachie, Texas. The yearling bull showed with EPDs of BW 4.9; WW 58; YW 96; MM 18 and M&G 47.

Lillian Hayhurst, Terre Haute, Ind., exhibited the grand champion junior AI bull, HPH Duke P606 704. The son of PW Victor Boomer P606 showed with EPDs of BW 5.1; WW 43; YW 62; MM 25 and M&G 46. This division is for bulls that are the result of participating in the junior AI program. The program allows National Junior Hereford Association members to receive free semen and certificates.

See Page 83 for division winners and class placings. Visit Hereford.org for complete results. **HW**
