# Day, Beck Grab Bred-and-Owned Female Titles

**K**irbie Day, Waxahachie, Texas, and her heifer KLD 3060 Penny D95 ET came out on top of the 166 exhibited in the bred-and-owned female show at the 2010 VitaFerm® Junior National Hereford Expo in Indianapolis July 8. Judge John Rayfield, College Station, Texas, commended the juniors on the tough competition and encouraged them by saying, "These heifers are sound and functional; they've got to get out and move and be

sound. Heifers need muscle and shape, while keeping their style and eye appeal. When it's all said and done, they need to look like females."

Day's heifer, an April 2009 daughter of BR Lansing 3060, best combined those traits. She showed with expected progeny differences (EPDs) of birth weight (BW) 4.4, weaning weight (WW) 59, yearling weight (YW) 91, milk (MM) 17 and milk & growth (M&G) 46.
