New fiscal year — Sept. 1, 2017, to Aug. 31, 2018

Fiscal year 2016-17 is coming to a close, and the American Hereford Association (AHA) will be starting a new fiscal year on Sept. 1, 2017. With this in mind, please remember all member service fees will expire on Aug. 30, 2017.

As a reminder, you will receive an annual member service fee notice. Each adult member service fee will receive a one-year subscription to the *Hereford World* magazine.

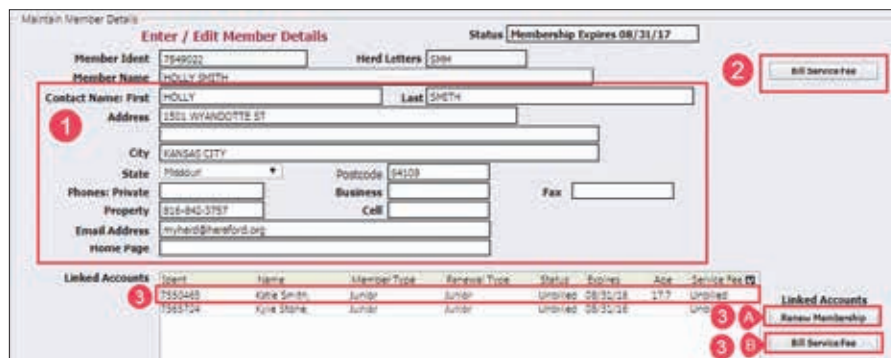

In addition to member service fees expiring, junior memberships also expire at the end of the current fiscal year. Junior memberships are different from adult memberships because they're annually due for renewal on Sept. 1 each year. The annual membership due is \$15. Junior memberships are available to any young person from birth through his or her 22nd birthday. Again, check your mail for a renewal notice, or contact the AHA customer service department for more information.

Manage member details through MyHerd.org

MyHerd makes it easy to update details for master and linked accounts. Log in to MyHerd and select "Edit Membership Contact Details" under "Membership Details" and follow the instructions below to update your accounts.

- 1 Update membership details:
 - a. Edit membership details by simply typing new information in the white text boxes.
 - b. Click "Update" to save changes.
- 2 Bill master account member service fee:
 - a. Click "Bill Service Fee" in the upper right-hand corner to bill the member service fee for the master account.

- 3 Select a member from the linked account box.
 - A Click "Renew Membership" to renew the linked accounts membership.
 - B Click "Bill Service Fee" to bill the member service fee for the linked account.

Whole Herd Total Performance Records (TPR™) fall inventory reminder

Fall 2017 herd inventories are due Sept. 1. Inventories turned in after the deadline will incur an additional \$2 per head surcharge on every female maintained on inventory. **HW**
