Breeding Share Agreement

A Breeding Share group of an A.I. sire is subject to the following conditions..

1. Bull must be A.I. permitted.
2. DNA, or equivalent information, on subject animal, its sire and dam, must be on file with American Hereford Association (AHA).
3. Bull will be carried on the AHA records under the joint but single ownership name (Breeding Share Group). However, all members of the Breeding Share Group shall be on record with the AHA and such ownership records will be current within 30 days.
4. A copy of any written agreements between the Group Members and owners must be filed with AHA. No amendment thereto shall be effective as far as the AHA is concerned until a copy thereof is filed with AHA. Included in the written agreement shall be the name to appear on file with the AHA along with current addresses and breeder numbers. All Breeding Share Group members must be current members of the AHA, and if not, that Breeding Share Group member will not be recognized by the AHA in the Breeding Share Group.
5. Owners must designate an agent and advise the AHA with a copy of the Power of Attorney (POA) for each group member. The POA shall authorize and make the agent responsible to the AHA for all record keeping. The authority and responsibility of such agent, until revoked in writing and a designation of a new agent is made, is binding upon all owners.
6. Any other requirement which may from time to time be imposed by the Board of Directors of the AHA will take precedence.
7. Any disputes between the Breeding Share Group Member its agent and/or the seller **will be between those parties. AHA will not make judgment or be involved in any disputes. AHA will only transact the business as prescribed by the agreement and instructions from the group agent.**
8. The "Breeding Share Group" shall pay AHA a onetime fee of \$250 for maintenance of this account plus \$100 to change, transfer, add, or remove names from the agreement.

If these conditions are met, the AHA will provide the service of billing each member for certificates and shall keep on file a record of all Breeder Share Group members. The AHA will invoice the group members or agent for only the A.I. certificate fee due the AHA as an animal is registered. The agent shall provide a listing of the number of certificates due each member. These certificates shall be held electronically with no printed certificates issued.

Bull name _____ Registration number _____
