EPDs
EPDs listed are current as of March 5, 2018 from The American Hereford Association.

It is with great excitement that we invite and welcome you to our first production sale. In 1937, my grandfather, Emmett Clifford, bought his first Hereford. My father, Ernest Clifford, removed the horns in 1963 and began breeding only polled Herefords. Through the years we have focused on producing sound, easy doing cattle that calve easy, milk well and grow on the pastures of our northern Kentucky hills.

We have made many friends over the years and are pleased to welcome Robert and Carol Botkin, Bobby Wells, The Doug Underwood Family and Kyle Bush of K3 Cattle to join us in presenting a first-class group of young cows, bulls and heifers for your selection.

If you have any questions or if we can assist you in any way, please do not hesitate to contact us. We welcome you and thank you for attending the first Clifford Farms and Guests Polled Hereford Sale.

• The reason I am offering this heifer up is because I still have her dam in production
with some good years in front of her. Having a full sister in production as well, I
am sold on this cow family. She is a big, stout heifer that has the look, length and
performance that I am proud to offer.

• Bred AI Dec. 2, 2017, to TH 22R 16S Lambeau 17Y, then pasture exposed Dec. 20,
2017 to Feb. 1, 2018, to HH Longmeier 691B. Palpated. Believed bred to AI date.

• 703 is a growthy heifer out of a young cow that I am super high on. She is a very clean fronted heifer that is long and deep and will help add pounds to your herd. Whatever you need her to do for your herd, she should be able to do for you.

• Here is a heifer that I hated to sell, but I wanted to bring something I was proud of to a production sale. When you get a heifer that has this much growth and look, you know the future is bright. She has the look and performance of her mother who has already raised two stout calves. She will work in the real world and will work for you.

• She should calve out before sale to ASM TBM 705 Essential 537C ET.
