

The Certified Hereford Beef Sire of Distinction (CHBS) program recognizes Hereford bulls that have excelled in carcass traits. The American Hereford Association Board of Directors initiated this program in August 2007.

To qualify as a CHBS, a bull must:

- 1) Be in the top 25% for the CHBS profit index.
- 2) Have a minimum accuracy level of 25% for both ribeye area (REA) and marbling (MARB) expected progeny difference (EPD).

The CHBS distinction is used to recognize sires in the Hereford breed that excel in improving bottomline profit in the feedlot and on the rail. Although all bulls have the opportunity, only a few bulls will be recognized.

A bull receiving the CHBS status will be recognized with CHB after his name when doing an animal or EPD inquiry on Hereford.org.

A list of the 363 sires recognized as CHB Sires follows.

363 Bulls Recognized as CHB Sires of Distinction
