LAMB
BROS BEEF FARM

Hi Folks,

On behalf of our friends and partners at Dalton Herefords, White Ranch, Amundson Cattle Co., Golden Maple, Wirth Herefords, GNA Farms and Checkered Flag Farms...We welcome you to our annual Built to Last Sale in western Wisconsin at our sale facility on Saturday, September 29th!

The quality of this set of cattle is the best we have put together and I'm excited to see these cattle go to work for their new herds. In this selection you will find some top end young pairs, big time show heifer prospects, bred heifers, herd bull prospects and junior projects as well as some exciting ET opportunities. This group of cattle has been very carefully selected from all of these herds, ourselves included. We believe that if you're going to take the time to have a sale this size, you better make it a good one. I'm so pleased to report the feedback we are getting on the Rio calves goes well beyond what we expected, and all of our cows in this sale are mated back to him. We look forward to your inspection of these young cattle. Our enthusiasm remains extremely high for the Hereford breed and the beef business!

When I was a kid, my Grandpa Lamb made an observation of me one day. He said, "Andy, time moves pretty slow for you doesn't it?" In response I remember saying, "Grandpa, time crawls for me!" He went on to warn me to enjoy my youth because time will absolutely fly by when I start a family of my own and God, was he ever right. The hours in a day are never enough and the days creep into months and the seasons just keep cruising by — as I'm sure many of you can appreciate. I thank God every day for this unbelievable family of mine. They inspire me to always do better. They are all so unique in their own ways and I'm proud of each and every one of them. I thank them for their never-ending love and support.

I thank Lance, Jared and the crew for keeping the operation running every day. Their unwavering support to the farm and my family means a whole bunch to me.

This century farm has a lot of stories to tell, too many to start rattling off here. But we're still living the way our grandparents did — with faith, family and farming — and I'm darn proud to tell you that. There is no other job on this planet that will humble a soul like farming.

We invite you to a weekend in western Wisconsin to enjoy good people and good cattle again this year. If you are unable to attend, you can holler at any one of us anytime, we'd appreciate the visit!

As always, I thank you for sharing with us your very most precious commodity....your time.

God bless you my friends,

Andy

Dear Fellow Hereford Breeders, Cattlemen & Friends,

Welcome to this years "Built To Last Sale." An annual production sale, hosted by Lamb Brothers, along with their guests and partners: Checkered Flag Farms, GNA Farms, Golden Maples Herefords, Dalton's Polled Herefords, Amundson Cattle Company, and the White Ranch. Each one of these families have dug deep into their respective programs to offer you their best, and only those that are "Built to Last."

This year's sale features perhaps the best and deepest set to date, in which you can buy with confidence knowing the offering is bred right for the times and "Built to Last." The offering includes: A set of fancy show heifer prospects and future herd matrons, sired by some of the top sires in the breed; a set of productive, young cows along with future donors with calves at side, along with a set of bred females, that are all backed by proven breed leading genetics; The quality of the heifer calf offering is stout and deep, and the type and kind to compete. The bull line up features the best set of herd sire prospects ever offered in this sale - Bulls that have a promising future for the purebred and the commercial cattlemen. There will be a select few steers and embryo packages sold as well.

The demand for quality genetics is not only strong but as important as ever. The commitment to the beef cattle industry and the Hereford breed that Lamb Brothers possess, is evident and real. As you study this catalog you will find that Lamb Brothers have invested a lot of time and money, building their program. No corners were cut and only breed-leading genetics from breed leaders throughout North America and Canada were purchased and used. In doing this, **Lamb Bros. have positioned themselves for the long haul as a seedstock producer and source; providing proven, predictable, performance oriented seedstock to Hereford Breeders and Commercial Cattlemen - A genetic source that is Built to Last.**

The Family Farm is recognized as a century farm, having been in the Lamb Family for over 100 years. Faith, Family, Friends along with hardwork, determination, and honesty, are values the Lamb Family lives by. Andy's enthusiasm & energy is inspriring and Ben's support, strength and guidance is admired and respected. Both live by the values instilled in them by their parents. Lance Wirth's loyalty to the Lamb Family and his dedication to this herd, and the Hereford breed, is unmatched and never ending. All three have a deep passion and strong commitment to the cattle business and the folks that are part of it.

All about relationships. Andy's enthusiasm & energy is inspriring. He has a deep passion for the cattle business and the folks that are part of it, and He values the friendships and partnerships that he has made over the years. Lance's dedication to this herd, and the Hereford Breed is unmatched and never ending. This combination makes ***the friendships and partnerships Built To Last as well.***

We encourage your inspection of this offering from wonderful, hard working families. If we at Lowderman Auction Options can be of any assistance, feel free to contact Cody or Monte, at the numbers listed below. We look forward to seeing you at the social on Friday evening and the sale on Saturday.

- **H FHF ADVANCE RIO 624 ET. Rio was a major addition to our program and his first set of calves this past year have gone well beyond our expectations. Bred by the Frederickson and Hoffman families, this polled bull made quite an impression on us in Denver and we knew the bull could do us a lot of good. His full sister was named the reserve horned grand champion at the Junior National for the Skiles family. The bull himself was a member of the Hoffman carload in Denver. Rio is a smooth polled bull and we can't wait to see his offspring in production! Rio is the service sire for every cow in this sale!! A real game changer for us. Please keep us posted as his calves hit the ground in 2019!!**
