Dear Hereford Breeders,

Welcome to the 113th National Western Stock Show and the "Mile High Night" National Hereford Sale. The powerful showing of Herefords on the Hill and in the Yards has captured the attention of many cattlemen regardless of their breed loyalty.

The "Mile High Night Sale" hosted on the stadium floor is a spectacle to behold. The Hereford breed returned the National Hereford Sale to the stadium floor in 2013 and the six sales since have been the talk of the National Western. Last year's sale was an epic event.

The Mile High Night lots are uniquely special and offer some rare opportunities only found in a sale of this caliber. This headliner sale offers a superior selection of genetics from elite Hereford operations in North America — bulls, females and herd picks.

We want to thank Lowderman Cattle Company, Macomb, Ill., and Michelini Cattle Co., Peru, Ill., for donating the Lot 1 Foundation Female. Lot 1 is a powerful female that has the genetics to be a leading donor for many Hereford operations. She is a great female.

We look forward to seeing you in Denver. If you can't make it to Denver the sale will be broadcast on *LiveAuctions.TV*. Feel free to contact us with any questions or for additional information.

All the Best,
American Hereford Association
Joe Rickabaugh

SALE MANAGEMENT

American Hereford Association
Joe Rickabaugh
11500 NW Ambassador Dr., Suite 410
Kansas City, MO 64153
Office 816-218-2280 • Cell 785-633-3188 • jrick@hereford.org

TERMS AND CONDITIONS

The terms of the sale are cash or check payable at the close of the sale and prior to load out unless previous arrangements have been made with the owner or sale manager. Animals will be sold to the highest bidder with the auctioneer settling any disputes. Announcements at the sale by the owner, sale manager or auctioneer will take precedence over statements in the catalog. Each animal becomes the buyer's risk as soon as sold, but will be cared for by the seller until load out or for a reasonable period of time. All transactions will be in U.S. dollars.

GUARANTEE

All cattle will sell under the suggested sale terms and conditions of the American Hereford Association.

HEALTH

Health of the consignments is excellent. Individual health papers will be furnished for shipment in the United States. All animals become the property of the purchaser at the time of sale and we strongly recommend that you insure your purchases. Bulls over one year of age have been fertility tested and will guarantee semen to freeze. Bulls have been trich tested. All sale cattle are P.I. tested negative.

INSURANCE

Insurance will be available the evening of the sale.

DELIVERY

Delivery costs and arrangements of sale animals are the responsibility of the purchaser. Sale personnel, consignors, exhibitors and various reputable trucking firms will be on hand to assist with transportation arrangements.

EPDs

The EPDs reported in this catalog are reflective of November 5, 2018. A detailed supplement sheet will be provided prior to the sale.

ABSENTEE BIDS

Absentee bids by persons unable to attend the sale may be placed by phone or mail with the sale management, AHA field managers or any of the sale staff.

PAYMENT

Payment for each lot in the 2019 Mile High Night sale is to be immediately after the sale. The buyers who choose to be billed need to make payment as soon as possible after the sale. Interest will be accrued on unpaid balances starting on February 15, 2019, at the rate of 1.5% per month,
18% annually.

HYFA FOUNDATION 1 CLUB

The AHA Board of Directors have approved to have 1% of the gross sales from the Mile High Night be given to the HYFA Foundation 1 Club.

NOTE

All persons who attend the sale do so at their own risk. Neither the National Western Livestock Show, the American Hereford Association (AHA) and the AHA employees, the owner(s) nor the sale manager assume liability, legal or otherwise, for any accidents which occur.

VIEW SALE BROADCAST ONLINE

Real-time bidding is available via the Internet for this sale. Live audio and live video will allow buyers to bid on animals just as if they were present at the sale. Buyer account must be created prior to the sale. Please visit www.liveauctions.tv to create an account and request a buyer number.
Contact Katie Colyer at 208-599-2962 or Tech Support at 817-725-8595.

- It is with great pleasure that we offer the 2019 HYFA Foundation Female Lot! We are truly humbled to have the opportunity to support such a great organization and cause as the Hereford Youth Foundation of America.
- 43F is a direct daughter of the powerful Kylie donor who has become an elite producer of quality, power, and performance, with an added maternal punch. Queen Bee is exceptionally attractive, yet bold and powerful throughout and reads with a balanced set of EPDs. She's dark red, heavily pigmented with all the bells and whistles to be a top tier donor prospect to produce value added offspring.
- Retaining the right to two (2) flushes at sellers expense and buyer's convenience.
- Proceeds support the Hereford Youth Foundation of America and the Growing a Lasting Legacy campaign.

Inc., GKB Cattle, Hoffman and Swanson Herefords, Express Ranches, Belle Point Ranch, Cody Lowderman/Cody Helms, Bent Creek LLC, Deana Jak Herefords and Joe Detweiler Herefords.

Lot 2

Pick of ANY FEMALE IN HERD

- This has been a feature lot in the National Hereford Sale for several years. When you look at the list of buyers who have taken advantage of this opportunity, it is pretty impressive.
- The buyer has access to all herd records, including HerdMaster records. The buyer may select from well over 1,200 polled and horned females. This includes all of the Rausch donors. Over 800 cows have qualified for the Dam of Distinction list since 1980. There were 43 new qualifiers this year.
- It is impressive to see all the cows, calves and sires in their natural breeding pastures. A full list of females will be provided prior to selection. Records can be sorted on any trait in the largest in-herd database in the breed.
- Full possession, plus right to flush. You may pick any female in the herd after calving and prior to breeding or during summer breeding season prior to weaning. Also have the right to purchase calf at side.
- Buyer to make selection by September 1, 2019.
- For more pictures and information, go to www.RauschHerefords.com.

- DeLHawk Gisella 83F is a June, polled female sire by B&C Stock Option 6026D, the 2018 NWSS Supreme Champion. Her dam, MF 914W About Yasmine 104Y, has been a mainstay in the DeLHawk line-up. She has produced many national division winners, along with the 2018 $80,000 HYFA donation heifer. When we decided to offer a female in this sale, our initial thought was to offer one of our first Stock Option daughters. This heifer rose to the top of an extremely deep and powerful sire group. In our opinion, she is the complete package – great profiling, bold centered, stout hipped, and sound traveling. Gisella sets the bar high and will be extremely competitive in the ring while offering plenty of genetic potency in production.

- This bull could have a huge Impact on your breeding program! He offers new polled genetics, incredible numbers, the very best in maternal, and amazing look!
- Impact is a polled 5/8 Line One and is a logical choice to breed to daughters of About Time, Catapult, 88X, Leader, Tested, Red Bull and 2296. Many polled breeders are looking for some new blood– Impact offers it! His sire 6128 topped the respected Cooper bull sale at $155,000 two years ago. With his first calf crop 6128 has established himself as a performance leader.
- EPDs are in the top 1% for WW, YW, SC, CW, REA, and CHB! When he was genetically enhanced his growth went through the roof and it took his BW with it. But if you have females under 4 BW, he will provide the strength of numbers many breeders need.
- Impact's dam is one of the best cows in the breed for genomically enhanced EPDs and in natural production. Her first two natural calves both sold for over $20,000! You don't see that very often in today's world! She has a terrific udder. Her dam was a Denver Champion Female and 4437 won the cow calf show at the NILE as a two year old. The dam of 6128 is highly regarded as one of the best Line One cows in history!
- Impact is wide based, huge barrelled, balanced in his structure, clean made, thick from end to end, and perfectly colored and marked. He had an actual BW of 88 lb. and weighed 819 lb. at 205 days.
- Opportunity is knocking with this bull. Be bold and open the door!
- Selling one half interest. Semen packages of 20 straws with 10 AI certificates will be offered before the Mile High Night Sale for $2,500. The buyer will receive one half of the proceeds from these packages. No other semen will be offered in the spring of 2019. Contact Dale Venhuizen for details and to be put on this semen list.
- See Impact in the Yards in the Churchill pen or contact us for an updated video.

- 76S may not be as well known around the country as some of our cows, but here at the ranch she's regarded as one of our best! You won't find a better udder and her progeny are highly valued udder improvers. She is the dam of our top brood cow making sire, Beef 38W and NJW Long Range 203D who was Supreme Champion Bull NILE 2018 and NJW Salute who is a herd sire for Mohican West. We are super high on our Whitmore's here and have three outstanding flushmates to this mating born here this spring.
- Recip is located at NJW Polled Herefords and due March 1, 2019.

Lot 6

Pick of
73S X WHITMORE FLUSH SISTERS

- 73S…The dam of Trust, 8Y, 10Y, Hutton and numerous other herd bulls around the country. At age 12 she just finished raising her 10th natural calf, is carrying her 11th and has 109 progeny to her credit and maintained a 364 day calving interval. She breeds sound and true and shows up several times in many of our pedigrees with our thought being her blood only adds predictability and value.
- Her 2018 flush was by the Whitmore 10W bull and resulted in 7 outstanding brood cow prospects and 2 bull calves who rank at the top of their crop. Whitmore is being used here heavily for his calving ease, low birth weights, high growth, pigment, excellent feet, top maternal traits and he is homozygous polled. His bulls are rugged and sturdy and females are broody and hard working.
- We are offering you the pick of these 7 heifer flushmates – they are all high capacity, deep bodied, easy fleshing, broody and beautiful standouts that are bred to make a long term positive contribution to any program.
- Terms: Offering the buyer their choice of these 7 heifers with their selection either made now (within 30 days of this sale) or the option to make their selection in the fall as a bred heifer (by Sept. 1, 2019).

- We are offering you this exciting homozygous polled herd bull prospect from our carload, the rest of the carload will sell January 28th in our annual bull and female sale at Delaney Herefords. Here is your opportunity to own one of the first sons of Double Your Miles, who has given us an outstanding set of both bull and heifer calves and is working well across the country. This is also the first opportunity to own progeny of the great 45C. We can't say enough about what 45C has done for us in her short time in our donor pen. This bull is a prime example of the elite phenotypic quality she brings to the table as well as the tremendous genetic values she breeds on. This combination of Double Your Miles and 45C gives you the opportunity to own some of the top, cutting edge genetics in the breed. We will be retaining a full 1/2 semen interest.

- Here is a member of our pen of 3 heifers that is out of our top young donor, 45C and sired by Double Your Miles who is doing a great job across the country. This mating has worked well as evidenced by the full sibs in our carload of bulls and pen of heifers and her flushmates back home. 45C is giving us calves with a great combination of phenotype and outstanding EPDs. 45C is also a full sister to Munson, who sold in the 2018 Mile High sale to Perks Ranch and AbraKadabra Cattle. This girl has the look to compete in the show ring and the genetic package to build a herd around. We will retain one flush to be completed at the buyer's convenience and the seller's expense.

- 13F is as good of a female that we have ever offered in a national sale. She is from a proven mating, but the biggest part of everything is the fact that she is an own daughter of Rita 21W. Rita 21W is the most prolific cow that we have sold progeny out of. This heifer has already attracted several prominent breeders due to the fact that she is so elite on paper and phenotype. We are retaining 1/4 embryo interest.

Lot 12

Pick of 2019 HOLDEN HEIFER CROP

- A tremendous opportunity to select a Line One heifer from one of the top maternal, performance, and carcass herds in the nation. It has been 10 years since the last time Holden Herefords offered a pick of their entire heifer crop at Denver, and this set is destined to be one of their best and biggest calf crops ever. Buyer will get to pick a foundation female from over 150 heifer calves of which 40% will be ET heifers.
- Buyer must make their selection prior to September 30, 2019.
- Holden Herefords retains the right to one flush with a minimum of six (6) embryos at the buyer's convenience. All flush costs will be paid by Holden Herefords.

HH Advance 6186D ET —
Sold for 3/4 interest for $52,500 in our 2016 sale

- Owned with Dufur Herefords
- Incredible all around genetic package combining exceptional growth, calving ease, maternal, and carcass EPDs with a flawless phenotype. This son of the great 5139R donor cow ranks in the top 10% of the breed or higher on WW, YW, Scrotal, Milk, and M&G EPDs and the top 20% on CED and CW EPDs.
- 6186D has ET calves coming out of some of our very best donor females including 0121X that is the dam of 4075B and the 4050B donor that is our top young donor cow on the ranch.

HH Advance 5107C ET —
2016 high selling bull at $160,000

- Owned with Flying S Herefords
- Breed leading EPDs, fantastic phenotype, and backed by a great dam. 5107C is proving himself to be the best all around son of 215Z in the breed. He ranks in the top 5% of the breed or higher on WW, YW, M&G, Teat Size, CW, and REA EPDs and the top 8% on CHB$. He has an outstanding set of sons and daughters in our 2018 calf crop and we have over 35 calves coming in 2019.

HH Miss Advance 0121X —
Powerhouse donor cow and
the dam of the $240,000 4075B bull

- 0121X is the elite MARB EPD horned cow in the breed. She is a herd bull producer deluxe and her daughters are fantastic. She ranks as the #4 Horned dam in the breed on MARB EPD and her daughter 4227B is the #1 horned dam in the breed on MARB EPD.
- 0121X is the dam of multiple herd bulls including the 4075B bull that sold to Hoffman Ranch in our 2015 Sale for $240,000, and the 7076E bull that we own in partnership with Fawcett's Elm Creek Ranch. She has produced over $400,000 in progeny sales and will have several top herd bull prospects in our 2019 Sale.
- ET matings out of HH Advance 6186D ET, CL 1 Domino 5110C, CL 1 Domino 6128D, and HH Advance 3297A will all be born in 2019.

Highly Sought After 2019 ET Matings Include:

HH Advance 6186D x HH Miss Advance 0121X
HH Advance 6186D x HH Miss Advance 3294A

- Rare Air offers a ton of style and power to go along with a truly elite pedigree and great EPDs. We've been striving to raise a polled sired for the last several years to compliment all of our great horned sires. We believe that we finally have and that he can really produce elite show heifers and donors given the maternal backing in his pedigree and the fact that his full sister, Rock A Belle, is one of the best females we've seen. Besides stacking our famous Sooner x Gabrielle bloodlines on both the top and bottom side of his pedigree, he's extremely low BW. He's also dark red, great pigmented and large testicled just like his sire, Belle Air.
- Selling ½ interest and ½ possession after his show career.

BR Rock A Belle ET — Full sister to Rare Air who topped our fall sale

BR Belle Air 6011 — Sire of Rare Air and 2017 NWSS Supreme Champion Hereford

BR CSF Gabrielle 8051 ET — Dam of Rare Air

Lot 15

Choice of COW-CALF PAIR

- Selling choice of the two-time champion cow-calf pair. Winning bidder has the option to take half interest in PCC New Mexico Lady 6002 or full interest in her heifer calf, PCC New Mexico Lady 8184. Followed by the sale of the remaining option. Both sell!!
- Offering choice of half interest in PCC New Mexico Lady 6002 or full interest in her heifer calf.
- 6002 is quickly becoming one of the most popular cows in the breed. Her dam, KJ DWE Shelia 457Y, is our lead donor and is one of the only females to be named both the American and Canadian National Champion. Her sire, NJW Hutton 109Z, has consistently produced EXCEPTIONAL females, we are currently flushing seven of them. 6002 is what we believe to be an "ideal" cow to build a herd around.
- 6002 was 2017 Show Heifer of the Year and this pair was recently named Champion Cow-Calf Pair at the 2018 American Royal and the North American International Livestock Expo. Her heifer calf, 8184, has pigment, deep red with loads volume and a remarkable EPD profile. Her sire NJW Journey 53D is backed by Joey 84B, one of NJW's strongest producing cows. We purchased 53D to put on heifers with a 74-pound birth weight. There is no telling where this heifer can take a program.
- Seller reserves the right to two (2) flushes on the heifer calf at buyers convenience and sellers expense.

- His balanced EPD profile puts him in the top 30% of the breed for 12 of most important traits.
- His structural soundness and correctness of his feet and legs have made him a standout since birth.
- His depth of body, rib shape, extra muscling and easy fleshing ability has made him the heaviest calf at every weight period.
- A full sister was one of the highlights in our fall sale at $30,000 to Iron Lake Ranch, Athens, TX.
- His dam is a sight to behold when wet with a perfect udder and a WWR of 102 and by the record selling Miles McKee. Grandam on the top side is the $115,000 top seller at Barber Ranch for half interest. Maternal grandam is the immortal 89T that sold for $117,000 at Topp Herefords.
- He has the extra pigment and dark red color that are demanded in today's industry.
- BW 87 lb., WW 734 lb.

Packages will be sold on a first come first serve basis.
$5,000 full package - 50 straws and 25 AI certificates
$2,500 half package - 20 straws and 10 AI certificates
Any additional certificates are $40 for original package buyers.
After that certificates will be $100 and no additional semen
will be sold except in special auctions.

Ernst MS Sensation 862 (P43947942)

UPS Sensation 2504 ET — Sire of two of the pen of heifers

Lot 17

Pick of HEIFER PEN

- Ernst MS Sensation 862, pictured here, is a great representative of this pick of pen of heifers. Two of these heifers are sired by UPS Sensation 2504 ET. 2504 has been the top semen selling Hereford bull for Accelerated Genetics for 2 years running. His daughters are making outstanding cows. Any of these three would look great at Junior Nationals!
- See them in pen 1330 in the Yards!

- Without a doubt the best heifer we have raised here at Cane Creek. Huge footed, incredible bone and an undeniable profile that ties everything together. This heifer was successfully shown this summer by the Holt family and was at the top end of every class. Her best days are yet to come as she starts to produce the next generation of Hereford cattle for your operation.
- Safe in calf, due April 15, 2019, to LJS Mark Domino 0945 (43000470).

- Unique is just as his name implies. He is robust ribbed, huge middled with a flawless skeletal design along with added muscle shape. He is dark red, short marked and fully pigmented, upheaded with the herd bull look.
- Both his dam and grandam are highly productive cows with near perfect udders. Dam's first two calves ratio 109 at WW and 1 at 105 YW.
- Unique ranks in the top 20% of the entire breed for 13 traits – CE, BW, WW, YW, SCF, SC, MM, M&G, MCE, UDDR, MARB, BMI$ and BII$.
- Unique phenotype, cow family productivity and an elite EPD profile.
- BW 79 lb., Adj. WW 770 lb.
- Homozygous Polled
- Selling ½ interest and ½ possession.

Lot 20

Pick of
SPRING CALVERS 2019 2-YEAR OLDS

- We sold this same pick in 2014 to Express Ranches, Yukon, Okla. The female they picked has generated over $100K. This group has females of the same caliber.
- Principle sires of this group include UPS Undisputed, FTF Porterhouse 455B, WF On Target 4051, KCF Bennett Revolution X51, TH 223 711 Victor 755T and R Leader 6964.
- Service sires include MCR Flint Hills 10Y 5100 ET, TH Frontier 174E, C L1 Domino 215Z, FTF Porterhouse 455B and Walker JH Porterhouse 37W 6232.
- Walker Herefords will retain a flush on the female selected with a minimum of five (5) transferable embryos.
- There will be approximately 35 females to choose from. Selection to be made by April 1, 2019.

Lot 21

Pick of
FALL 2018 CALF CROP

- Joe had to twist our arm to get this pick!! This will be an excellent investment opportunity that we are sharing. This set of calves will have tremendous EPD values and the long-term breeding values of these calves are endless.
- Buyer has the option to select either a heifer or bull calf. If buyer selects a bull calf, Walker Herefords will retain a full ½ interest. If buyer selects a heifer calf, Walker Herefords will retain a flush on the female with a minimum of five (5) transferable embryos.
- Principle sires of this calf crop include KCF Bennett Revolution X51, LCX Perfecto 11B, LJR Whitmore 10W, MCR Flint Hills 10Y 5100 ET, NJW 79Z 22Z Heavy Duty 72C, Whitehawk Warrior 845C and other leading sires.
- There will be approximately 60 calves to choose from. Selection to be made by June 1, 2019.
- This calf crop includes a daughter and a maternal sister to 333, "The Carcass Queen".

- Here is the 2018 Keystone International Livestock Expo National Champion Bull, Fireball. Sired by CRR 109 Catapult 322, his dam is sired by the maternal legend, Revolution 4R, she in turn is out of a daughter of the past Denver champion, About Time. Genomically tested, note the birth to yearling spread with his added $ value.
- A bull that has it all, national caliber phenotype maternal pedigree with an unusual spread in his genomic values.
- Selling ¾ interest and full possession. Retaining ¼ interest in all semen sales.

- It is always hard to part ways with one this good, but when we started consigning to the Denver sale we made a commitment to bring our top end. This female has hung numerous banners, which is exactly what we come to expect from the Caliberry donor! Already named 2018 Minnesota Beef Expo champion and 2018 Minnesota State Fair 4-H champion. Super profile, massive bodeied, monster hipped, big legged and as sound as you can make one. We feel she has the potential to leave a huge impact on your program. Ask Jirl Buck how profitable the LFF prefix bred heifers he has bought have been. Look as smart as him and make room in the donor pen for this one!
- Retaining the right to two (2) successful flushes with a minimum of six (6) #1 embryos per flush.

- Frankie, has been a stand out since birth. She is pure power with a look of elegance. She is big time with all the right parts that are pieced together with style. She is huge middled and stout boned with a really extended neck. For as powerful as she is, her shoulder lays in as smooth as you can find. She is exceptionally soft at the ground and impeccable structure. Got to love her huge hip and hind leg. None of these traits should be a surprise as you evaluate her breeding. She is sired by the now deceased Cracker Jack. He has sired many national champions and has put breeding pieces into many well know ranches across the US. Her dam needs no introduction either, as she is making her splash as a true matriarch of the Hereford breed. The Remetee 213 cow continues to crank out the good ones. She produced the national champion bull at Denver, Time Traveler and many others. She herself was the 2010 NAILE Grand Champion Female.
- A full sib to Frankie sold in the Lowderman's Top Cut Sale for $55,000. Frankie has been shown 2 times. Taking Reserve Grand Champion honors at the West Texas State Fair and then placing 2nd in a very tough class at the American Royal.
- Sells open
- Selling full possession and ½ embryo interest. Worrell Enterprises would be happy to show this female thru her show career if the new buyer wishes.

- Jensen Bros. bulls and females come from cows that are total performance and built from pedigrees that are rich in quality! This year we have decided to offer a truly proven donor female.
- MSU Rachel 58Z is the dam of Contender D56. Contender has been very popular in semen sales and was named the 2018 NWSS Reserve National Champion bull. Burns Farms, Tenn. and Jensen Bros. have used Contender extensively in their herds and embryo programs this past year, he is also owned with Southern Star, Tenn. and Rath Farms, Pa. 58Z is 6-years old, flushes very well and in her prime. 58Z has raised top selling herd bulls and females for Jensen Bros. and our partners Shane and Ashlie Werk, Manhattan, Kan. A recent flushed received 14 grade 1 embryos. 58Z averages over 10 embryos per flush.
- A Catapult son out of 58Z topped Jensen Bros. bull sale for $22,000 to McClun Polled Herefords, Wyo. A Catapult/58Z daughter raised by Shane Werk sold to David Smith, Colo. for $20,000.
- We purchased 58Z in the MSU Dispersal as a calf. 58Z is a full sister to the legendary MSU TCF Revolution 4R herd bull.
- Very seldom do we even part with a cow of this status. This is a unique once in a lifetime chance to own an MSU matron!

Lot 25 — MSU Rachel 58Z ET

KJ BJ 58Z Contender D56 — Son of 58Z 2018 NWSS Reserve Champion Horned Bull

Werk Rachael 758, daughter of 58Z, sold to Shayne Myers and Hoffman Ranch for $39,000.

Lot 26

Pick of CARLOAD OR PEN BULLS

- Each year in Denver we bring you our very best bulls and let you have first pick. Last year alone the pick was our KJ BJ 58Z Contender D56, herd bull who was named 2018 NWSS Reserve National Champion. The year before a Leader son, our lead off bull, Truman was selected and his offspring are now being offered in sales in Canada. We will have Leader herd bulls and herd bulls out of the 2018 NWSS Supreme Champion Stock Option in our 2019 pen.
- Be sure to stop by our pen in Denver and study our bull offering and receive updates on our pick in Denver.

Pick of KREBS RANCH BULL PENS

- A tremendous opportunity once again for pick of the pen bulls. This year we'll have two pens of bulls. These bulls represent what we strive for; quality, performance and genetics to advance into the future. Genetically these bulls represent the heart of our breeding program. Be sure to check them out in the Yards prior to sale night.
- Selling ¾ interest, possession negotiable.

- Full sister to Full Throttle
- Out of the famous Sweet Red Wine 039 cow
- Bred to Fireball, one of the most popular bulls of all breeds in Denver last year.
- Great opportunity to invest in some of the most proven genetis in the Hereford breed, both in the ring and in the pasture. No risk here.
- Picture was taken while still nursing her first calf, she is a good mama.
- Full sister to Hoffman Ranch's $57,500 female that went on to be the 2014 JNHE Champion Horned Female.
- Bred and due, safe with calf, on March 10, 2019, to Showtime Pugh Fireball 734.
- Sellers reserve the right to two (2) flushes, six (6) freezable embryos each flush and genetic preservation at sellers expense.

- Oaks Sweet Tart 4067 ET made a name for herself during her show career. Sweet Tart, 2016 Southwest Show Heifer of the Year, was named champion several times, as well as 2016 NWSS Senior Division Champion. She has successfully moved into the donor lineup with some highly anticipated calves expected this spring. For this reason we have made the decision to offer her full sister, Lolli, at the Mile High Night Sale. Their sire, CRR About Time 743, requires no introduction, with all the champions he has sired. Her dam, JBR Queen 1013, sired by the two-time NWSS Supreme Champion, Shock and Awe 158W, has arguably had more influence on our cow herd than any other female we have raised. Lolli looks like she could follow in her sisters footsteps.
- Seller reserves the right to two (2) flushes with a minimum of six (6) viable embryos per flush at seller's expense and buyer's convenience.

Lot 34

Pick of HEIFERS

- An opportunity to purchase your choice of two Catapult daughters, stemming from the Strawberry Wine 204Z cow herself. These two females will be represented in our Pen in the Yards and offered as choice in the Mile High sale. This mating has produced a Reserve National Champion Bull , KOLT Chicago 2004, as well as several high selling females that are now in production for Express Ranches and the Effling Family. With out a doubt two of our top females to sell this year, horned or polled the choice is simple.

- This is a dream mating — big, stout, and nicely made out of a great young cow we like a lot. This heifer's sire, Double Your Miles is adding many traits we want in our program — superior performance, great udders and nice pigment. This heifer can show and then make a great cow.
- We are retaining two (2) future flushes, with six (6) embryos per flush, at the buyers convenience and our expense.
