

The Sires of Distinction program recognizes superior Hereford bulls. The American Hereford Association Board of Directors initiated the program in August 2007 to recognize Hereford bulls that sire efficient, fertile and productive females. To be honored as a Sire of Distinction a bull must have produced daughters that have received at least seven Dams of Distinction awards.

See Page 26 for the criteria a cow must meet to be recognized as a Dam of Distinction or visit Hereford.org and click "Genetics" and select "Recognition Programs."

Bulls attaining the Sire of Distinction status are recognized with "SOD" after their names when doing an animal or expected progeny difference (EPD) inquiry on Hereford.org.

A list of the 105 sires recognized as Sires of Distinction for the first time follows.
