Dear Friends and Cattlemen,

Let me get started by thanking all of our customers and great friends that have helped us and contributed to Wooden Shoe Farms. I am excited to say this year we will be celebrating our 75th anniversary year into our cow herd offering you the elite genetics of Wooden Shoe Farms. We are offering two of our best donor females WSF Marvelous Lady C17 who was the 2018 Reserve National Champion Cow-Calf Pair, and donor WSF Proof's Lady Success A31 along with several others.

The 2019 calf crop is as strong as any we have offered, both in physical appearance and pedigree. One of our main herd sires Whitehawk Warrior 845C, recently sold to Semex as a breed-leading sire. Once again thank you for all of your support and friendship it is truly appreciated. We hope you will be able to join us on November 5th; the cattle will be available for viewing the night before and also on Liveauctions.tv. If we can be of any assistance in any way, please contact us or a member of our sale staff.

Thanks again and hope to see you sale day.

Sincerely,
Neal Ward
