

Spring 2020 Gold TPR Breeders

Ninety three Hereford breeders achieved Gold TPR™ (Total Performance Records) status for spring 2020.

Established in 2005, the program pays tribute to breeders who go the extra mile to collect data at all levels of production and report the data in a timely manner. The Gold TPR Breeder recognition is presented to progressive Hereford breeders who have measured traits and collected and promptly submitted performance data at all levels of production.

The Gold TPR Breeder awards are designated two times a year and are awarded each calving season. The selection of Gold TPR breeders takes place during the process of loading each new run of expected progeny differences in January (spring) and July (fall). The criteria for Gold TPR breeders will be evaluated two years prior to the award year. The following spring 2020 TPR awards reflect the spring 2018 calving season evaluation.
