The 52nd Annual North Carolina Hereford Classic Sale

is dedicated to Reggie and Patty Lookabill

“Faith, Family and Livestock.” A quote the Lookabill family has come to be known for in the Hereford breed. When I received the call stating the committee had decided to dedicate the sale to Daddy and Mom, I became overwhelmed with emotion. I could not be happier for both of them to be honored in this way. They have given so much to their family, our barn family, the NC and National Hereford Association, and the youth of the Hereford Association.

Reggie and Patty were married March 31, 1989. Two families were blended. When Daddy met Mom, she had been living the farming and agriculture life since birth. She was born into a family who operated a dairy farm and ran a herd of Hereford cattle. Andy, Patty’s son, was showing cattle on a local, state, and national level. Daddy and I jumped right in! This began my showing career at the age of 3. This is where their story began!

Reggie and Patty are the children of David and Martha Lookabill and Maxine and the late Charles Koontz all of Lexington, NC, respectively. They have two children, Andrew (Andy) Berrier whose son is Tyler, and Brittany and her husband Jeffery with Noah and Jonah being their children. God has blessed our family.

With Daddy being a paramedic and Mom an RN and later a Nurse Practitioner, they have always helped others; that is just their nature. They have both been a part of Davidson County Rescue Squad for 20+ years. Both holding leadership roles within the organization and Daddy serving as Chief for numerous years. If they are not home, or working to serve the public in their medical professions, you can find them at their church. Both Reggie and Patty are active members of Beulah United Church of Christ in the small town of Welcome, NC where they reside.

This small country church is where they have attended since marriage and are both devoted to numerous leadership roles and committees within.

While reflecting on the things that stand out to me about my parents, other than just the life they gave Andy and I growing up, I think of all the opportunities they provided me with. Not just showing and being NC Hereford Queen, but their commitment to serving others with medical care at all times, no matter where they are when the need arises. In addition, they have committed their time and efforts to raising funds at their church and with the NCJHA to purchase an AED (Automatic External Defibrillator) to have on site. While we pray the defibrillator will never be needed, it is a comfort to know that it is in the barns and at livestock events now in the event an emergency would ever deem it medically necessary.

When people reflect upon Reggie and Patty Lookabill, I imagine they may think of various things. Some may immediately vision their love for the Lord and the willingness to serve. Others may imagine their medical talents and how at some point they may have helped them. Most probably see Hereford cattle and the pride they take in building a primarily bred and owned herd, to be proud of their own work for what they have. The vast majority I feel immediately see the love they have for their three grandsons. While all of these visions are possible, I know family would be the first one I easily visualize.

I was blessed with wonderful parents and we, their family, are so thankful, as I know they are, for the association to honor them with the dedication of the 2020 NC Hereford Sale.

Vicky Boom 928 is a stylish fall calf with plenty of power. Her dam is one of our top donors and she has a flush brother that we are using heavily in our program. Maternal sister, 521, was one of the top-selling lots in last year’s sale. OCV.

This pregnancy is due Aug. 22, 2020 and is being carried by Lot 6, the six-year-old BWF recipient dam of Lot 6. We thought enough of 521 that we flushed her as a first-calf heifer as we have enough data behind the Lady Stirling cow family to know that she is a car t-miss power cow. Get in on the ground floor with this mating as this will one of the first calves born.

Lot 6A: Three (3) Grade 1 Embryos – Sells with a guarantee of one pregnancy if implanted by a certified technician. Full sibs to Lot 6.

  - Vanity is another Faith 0X12 daughter. This time sired by Gary Hedrick's Tested 4013 bull. Great genetics and a potential winner in your herd. Can't say enough about the job 4013 is doing. She is a full sister to the DTF Envision bull, featured in the ad in this catalog.

- This girl caught my eye as a young heifer in the field. Her dark red color and powerful but feminine design. She’s a sweetheart on halter and will make beautiful show calves. Mrs Betty stems back to big names like NJW Style, NJW Trust, Boyd Worldwide and more. There’s no wonder she’s so sharp. Do not let her pass you by.

- Bred AI on Dec. 3, 2019 to NJW 76S 27A Long Range 203D (Reg. #43722086), then pasture exposed from Dec. 24, 2019 to Feb. 29, 2020 to BF GH 124Y Copper 7129 (Reg. #43884022).

- This powerful heifer was so powerful, we knew she would be a great cow prospect. She has a nice set of EPDs. Her weaning weight was 625 lb. She is halter broke. Her sire, AMC 10Y Town Hall, goes back to the great NJW 73S W18 Hometown 10Y ET. Her dam is from the donor pen of George Ochsner and Sons, Advance W38. This one will pay for herself.

- Bred AI on Dec. 3, 2019 to NJW 76S 27A Long Range 203D (Reg. #43722086), then pasture exposed from Dec. 24, 2019 to Feb. 29, 2020 to BF GH 124Y Copper 7129 (Reg. #43884022).

• One look at this cow and you can see that the quality of breeding goes deep here. She goes back to a Tommy Lynn cow we bought at the Mead Cattle sale back in 2014. Her mother has been flushed due to proving her worthiness through her offspring. 0681 will go down as one of the best cows we have ever had and pass it along to her daughters. Here you have a chance to buy one of the best you will ever purchase.

Consigned by Four B Farms, Shelby, N.C.

• This first-calf heifer is doing an awesome job, just look at her calf at side. She is out of a Triplet cow we purchased at this sale in 2016 going back to Balout 144U and M326. We then added in our 099 bull with his combination of performance and maternal characteristics and thus the proof is in the pudding. 714E will go on to be a very productive cow. Look at the maternal greats in this cow, 4R, U201, R177, 144U, and M326.

• Bred AI on Dec. 28, 2019 to KCF Bennett Encore Z311.

• Bred AI on Dec. 28, 2019 to KCF Bennett Encore Z311.

• This fancy heifer is again what we at 4B Farms are trying to produce. Cows that we feel will go on and have performance, weight, and carcass characteristics that are demanded in the industry today and maternal line breeding added in for consistency. 7126 is a freak; you will start hearing more about him as he continues to prove himself as a powerhouse bull with a line-bred pedigree, carcass and performance within a maternal line of cattle. His dam is a picture-perfect dam and standout at the JMS Polled Hereford sale in Knifley, Ky. Have your checkbook ready when this heifer hits the sale ring.

- This heifer is out of an interesting pedigree, combination of Hill Vue Plato Breeding and Prince Victor 71I “a maternal giant” going back again to our 6107-donor cow out of P606. This cow is correct in structure and will not disappoint in her mothering ability and udder structure. Her own scan data at 718 lb. is REA 8.70, CW 1.21, IMF 3.57, and FT 0.16. - This heifer is in the sale only because I didn’t realize her pedigree when picking her out. She is the own daughter of our P606-donor cow, 6107. I could write a page on how I feel 6107 and all of her progeny has moved our herd forward. 822F is a fantastically bred female that has all the maternal making of a wonderful dam. This cow is correct in every way and will not disappoint in udder quality from her sire and dam. 909B packs some punch to the performance without sacrifice on the maternal side being out of a R117 donor cow himself. Your time and interest is greatly appreciated!
**GCCC 632D PILGRIM C10 910G**

Consigned by Wayne Garber, Laurens, S.C.

**Lot 58** — GCC 632D Pilgrim C10 910G

- **Herd Number:** HS BEA VICKY 527 013
- **Consigned by:** Wayne Garber, Laurens, S.C.
- **Description:**
  - Hard to find son of the great Churchill Pilgrim and out of an outstanding Revolution daughter. Halter broke, gentle, and should make a great addition to anyone’s program.
- **Consigned by:** Wayne Garber, Laurens, S.C.

**GCCC HOPES PILGRIM 866F**

Consigned by Wayne Garber, Laurens, S.C.

**Lot 59** — GCC Hopes Pilgrim 866F

- **Herd Number:** HS BEA VICKY 527 013
- **Consigned by:** Wayne Garber, Laurens, S.C.
- **Description:**
  - We should probably be keeping this one! Her dam never misses and is still out producing herself at 15 years old. This heifer should be an asset to any herd and follow in her dam’s footsteps with great feet, a great udder, and the ability to wean one of the heaviest every time.
- **Consigned by:** Wayne Garber, Laurens, S.C.

**GCCC MISS REVOLVER 561 922G**

Consigned by Wayne Garber, Laurens, S.C.

**Lot 60** — GCC Miss Revolver 561 922G

- **Herd Number:** HS BEA VICKY 527 013
- **Consigned by:** Wayne Garber, Laurens, S.C.
- **Description:**
  - Not many opportunities to purchase a Pilgrim out of a Tank daughter! Nice heifer, gentle, broke, shown last year. Placed second in her class of six at the South Carolina State Fair. Don’t miss out on this one, juniors! Show her now and then have a tremendous mama cow to add to the herd!
