## 2020 JNHE STAY HEALTHY INITIATIVES THIS MAY ALSO INCLUDE WAIVER

- Adhere to social distancing guidelines – 6 ft. distance between people according to the CDC.
- Daily COVID-19 screening of employees and volunteers working on behalf of the JNHE.
- We will be following the industry best practices regarding disinfecting high traffic areas and providing hand sanitizers and cleaning stations to employees and guests.
- Attendees will be encouraged to wear masks when not able to maintain social distancing.
- Exhibitors will be stalled within state as a family with appropriate distance between tack areas. Numbers are changing daily and we will make a detailed stalling plan as we get closer to event. It is our goal to give each animal ample stall space so that those exhibitors working on animals will be adequately spaced as well.
- Ringside seats will be limited with no congregating in the show arena. Spectators will be encouraged to watch the show online via the webcast on their own devices.
- Class size would be modified and only one animal, exhibitor and family member or fitter will be allowed in the make up area at all times.
- Photo backdrop will be moved outside of the make-up ring with only exhibitors and their families allowed in the photo this year.
- Once an exhibitor is done showing their animals, they will be allowed to leave rather than waiting until the conclusion of the show
