17H is well balanced, attractive dark red Munson daughter. She has been a standout since birth and a favorite of many visitors. We are offering our best Munson daughters in this sale and believe that they will not only be excellent show prospects, but make tremendous cows. Due to the untimely death of Munson, very limited semen is available, so don't miss the opportunity to own one of his daughters.

The last three open female lots are our top fall Munson daughters. 43G is the kind of fall heifer that can make it to the finish line and maintain her show ring presence while she's heavy bred. Really clean-fronted, well-balanced with plenty body mass but yet extremely feminine. Don't miss the opportunity to purchase a competitive fall heifer that will be a tremendous cow.
