

Fall 2020 Gold TPR Breeders

Thirty-eight Hereford breeders achieved Gold Total Performance Records (TPR™) Breeder status for fall 2020.

Established in 2005, the program pays tribute to breeders who go the extra mile to collect data at all levels of production and report the data

in a timely manner. The Gold TPR Breeder recognition is presented to progressive Hereford breeders who have measured traits and promptly submitted performance data at all levels of production.

Become a Gold TPR Breeder

Breeders must fulfill the following specification in order to qualify for Gold TPR status:

- Submit herd inventory before the date inventory surcharge goes into effect.
- Complete reporting of calving ease and reproductive status for each dam on inventory.
- Complete reporting of birth weights for all live calves recorded in the calf crop.
- Complete reporting of weaning weights for all live calves recorded in the calf crop.
- Complete reporting of yearling weights for all live calves recorded in the calf crop.
- Complete reporting of scrotal measurements for each bull calf with a recorded yearling weight.
- Ultrasound data reported on 25% or more of the calf crop.

Note: For weaning and yearling weights, disposal codes are accepted if the animal has been removed from the herd. **HW**
