ONLINE BIDDING

Contact Brad at 816-392-9241 or bfahrmeier@liveauctions.tv
Katie Colyer 208-599-2962
Hannah Copenhaver 660-909-7472

TERMS: Cash or check unless prior arrangements have been made with the individual owner(s) or sale manager.

REGISTRATION CERTIFICATES: Certificates of registration are all in order. It is the buyer's responsibility to give the clerks the correct name and address for transferring the purchased animals as the certificates will be mailed from the American Hereford Association to the purchaser.

EPDS: The EPDs given are current as of November 3, 2020.

LIABILITY: Each animal will be at the buyer's risk as soon as they are sold. The Missouri Hereford Association accepts no liability nor does the Missouri State Fairgrounds. Everyone attends at their own risk.

GUARANTEE: The cattle sell with the AHA breeder's guarantee.

HEALTH: Proper health papers will be available on each lot during settlement.

AI CERTIFICATES: There will be no AI certificates furnished on animals bred to bulls not owned by the individual consignors.

INSURANCE: Insurance will be available on your purchases at the sale. Contact the sale clerk for more information.

TRAVEL: If you are flying, the Kansas City International Airport is 1 hour and 45 minutes from the sale site and is served by most major airlines. If you are driving, the Missouri State Fairgrounds address is: 2503 W. 16th St., Sedalia, MO 65301

ACCOMMODATIONS:

Best Western State Fair Inn 660-826-6100
Comfort Inn 660-829-5050
Holiday Inn Express 660-826-4000
Hotel Bothwell 660-826-5588
Ramada Inn 660-826-8400
Super 8 660-827-5890

Missouri State Fairgrounds • Sedalia, MO • Noon

Saturday, Dec. 5, 2020 • Annual Meeting 5:00 p.m. • Banquet 6:00 p.m.

MISSOURI Opportunity Sale

On December 6th the Missouri Hereford Association will host the 18th consecutive Opportunity Sale in Sedalia, Missouri at the State Fairgrounds.

On behalf of the Association and the Board of Directors, I would like to be the first to invite you to be with us at the 2020 Opportunity Sale. This is a Hereford weekend with the Associations annual meeting and awards banquet on Saturday night December 5th starting at 5:00 p.m. If you are unable to attend the sale December 6th at noon make plans to be with us online with Live Auctions TV. We have 24 consignors bringing you 51 lots to consider. This sale has been designed around its name, Opportunity, which works for both the buyers and sellers. It helps Hereford breeders market and purchase the top cut of Hereford cattle from across Missouri and beyond. This sale is a marketing service provided by the MHA to its members from Missouri and other states! These cattle have all been selected for the sale by our AHA Field Services Director Joe Rickabaugh for the past 18 years! The Board of Directors would like to thank Joe for all his efforts over the years. There will be several trailers at this event from around the state, Illinois and Arkansas to help you with your trucking needs. All cattle must leave the sale site following the sale.

I personally want to thank our many consignors for the efforts they have put forth to make this another great Missouri Hereford Association event. Folks things like this don't just happen. As we all know 2020 has been a very trying year from so many angles for all of us! The sales this fall have all had record crowds and the cattle have sold at higher averages all across the state. Please mark your calendar to be in Sedalia at noon on December 6th or sign up with LiveAuctions.TV

Hereford cattle continue to be in the spotlight in the beef cattle business. You will find our consignors have put together a powerful set of cattle again this year. The show heifer age females have the look the judges like in the show ring, you would drive many miles to find any better. Joe tells me the bred heifers are incredible. We have more spring pair splits this year that will draw your attention. Once again a powerful set of fall pairs. The fall yearling heifers have the breed leading genetics we are all looking for. The herd bull prospect offering is very strong this year. I think we will all agree this is a powerful offering for you to consider!

I would like to thank our consignors for there efforts to breed and get such an outstanding set of Hereford genetics here to Sedalia. If you need any help making selections please contact me or any of the sales staff. That's what we are here for. I would also like to thank the sales staff and the Board of Directors for all their hard work that has truly made this a great association event. There is fun and excitement for all in Sedalia, Missouri, the first full weekend in December each year and I would think you would want to be apart of it again this year. Plan to attend the annual awards banquet at 6:00p.m. Saturday December 5th. Once again the sale headquarters will be the Best Western State Fair Inn. The sale will start at 12:00 noon central time. Ask for the Hereford Association's block room rate. Sedalia is a hard town to get a room in so call now 660-826-6100. Other accommodations are listed in this catalog.

We will be selling select pages in the 2021-2022 bi-annual MHA membership directory prior to the sale on Sunday this is a great opportunity for breeders and businesses to spot light their programs. Ad info due January 1st.

Hope to see you in Sedalia!!

*Matt Reynolds. MHA Secretary

Galaxy 904G is a well-built son of 455B that you will find easily on sale day. He is heavily muscled and built right from every angle, dark red to the ground and fully pigmented. Not to mention the performance he will add to his calves. You've seen the quality of females his sire has put in the Falling Timber and Walker herds, so let him do that for you. He tops all that off by being Division Champion at the 2019 Missouri State Fair. Don't miss this one sale day.

808F did an outstanding job this year with her Frontier heifer calf that we are retaining as a replacement. 808F is short-marked, dark red and provides style from every angle. Her sire, 502C, is doing a great job for us leaving every daughter with a beautiful short-teated udder. Her Cracker Jack mother has nailed it with each calf. This will be the first relative leaving from 355A, who is writing her own book in our herd. To top it off, she is bred AI to the new hit sire for Atkins/Delaney Herefords, JDH AH Miles Ahead 35F ET. Bred AI April 18, 2020 to JDH AH Miles Ahead 35F ET.

729C is an easy keeping daughter of Times A Wastin with a shot of the breed icon, P606. 729C has done a great job with each calf, giving them a shot of style and performance. Her current mating should be exciting. Vet checked safe to the AI date. Scurred. Bred AI May 9, 2020 to R Leader 6964, then pasture exposed from May 20 to Sept. 30, 2020 to BBH 349A 63A Cowboy 801F.

• F950 is a super clean-made cow, with an attractive, deep red hide and first calf at side. She is very well-balanced and blended throughout and shows a smooth, feminine front end. With her ease of fleshing, well-suspended udder and teat placement, this cow will be an easy decision for a low maintenance and profit-centered addition to any herd.

• **Lot 6A:** Big-boned bull calf, sired by BEHM 100W Cuda 504C (Reg. #43636764). He shows frame and muscle at an early stage. It will be a great opportunity to watch this calf mature.

• A flush sister to Atley's popular yearling heifer she campaigned this summer. This member of the Grace cow family is also a maternal sister to Atley's Reserve Supreme Bred-and-Owned female at the 2020 Ozark Empire Fair. Her maternal brother was crowned Reserve Grand Champion at the 2019 Missouri State Fair, Senior Bull Calf Champion at the 2018 American Royal, and a four-time national show class winner. The Grace females are consistent in their overall length and squareness of hip in a very eye appealing package. 1902's service sire has clicked very well with the Grace cow family. A daughter of the original 4100 Grace, sired by, "Mr T" produced the high selling heifer in our Top Shelf Genetics Sale, selling to Trenton Edwards, Curryville Mo. Her maternal sister sells as Lot 9, and bull calf Lot 9A, in the fall pair division of this offering.

• Pasture exposed from May 15 to July 15, 2020 to Corks AMK Mr. T 1481 1711 (Reg. #43788198), a son of Churchill Sensation 028X. Ultrasound indicates approx. due date March 18, 2021.

- A direct daughter of a past JHNE class winner, and a reserve division winner at the 2013 Missouri State Fair. A full brother in blood to this female is a junior herd sire for RL Polled Herefords, Halfway Mo. This bred heifer is a maternal sister to the Reserve National Champion Cow/Calf Pair at the 2017 JNHE for Aiden Kleinman. The high probability of this female having a sexed Mandate heifer calf in January is a great investment opportunity for the most discriminating breeder. A great opportunity to add a pair of young females to your operation from a great Missouri cow family.
- Bred AI April 20, 2020 to /S Mandate 66589 ET with sexed heifer semen. Pregnancy checked safe to AI date, and due Jan. 22, 2021.

- There are many tests to evaluate cattle. This two-year-old female shows that she is passing the most important test. Production. She has a tremendous bull calf at side, Lot 9A. What an opportunity to acquire a member of the Grace family. Her great grandam was offered by the McMillin family through a past Opportunity sale. The foundation Grace went on to do tremendous things for the Gary Woods family. 1812 is a maternal sister to the many-time champions, Corks ARK Archie 10Y 4100 1750 and Corks Ark Grace 1930. Her maternal sister sells as Lot 7 in the bred heifer division.
- Breeding information update sale day.

CHOICE OF HEIFERS: 11A, 11B, 11C — TWO OF THE THREE SELL

We told Joe he could have a couple heifers from the replacements. He came back with three choices. You be the judge. Selling two, will take the third home. Structurally sound, athletic, big-ribbed with super muscle design and shape, and easy on the eyes. All three come from long, consistent, top-producing, excellent uddered cow families. Whether you're looking for a show prospect or that future front pasture cow, take a look at these.

- If you are looking for growth, 1901 has it in spades. Top 1% for YW EPD. Her numbers reflect her real-world performance. Combination of Red Bull and Hometown, two bulls who have worked well for us. All of our 2019 heifers are enrolled in the Show-Me Select Replacement Heifer Program and are a part of the University of Missouri Puberty and Fertility Genomics project. Heifers will have GE-EPDs before sale day.
- Bred AI May 12, 2020 to FTF Prime Product 226Z, then pasture exposed from July 13 to Sept. 15, 2020 to JSD 307A 369A Timber F182. Confirmed bred on Aug. 13, 2020 via ultrasound with a bull calf.

- Jensen showed 1912 locally this year and had a lot of fun. We like how smooth-made and deep-bodied this heifer is, while in a moderate package. It is hard to part with this heifer, but luckily we already have a three-quarter sister who is already hitting homeruns for us. All of our 2019 heifers are enrolled in the Show-Me Select Replacement Heifer Program and are a part of the University of Missouri Puberty and Fertility Genomics project. Heifers will have GE-EPDs before sale day.

RIGHT TO FLUSH

Right to flush any cow in the spring FTF herd that is five years old or older. Around 40 females to choose from. Falling Timber Farm is the nation's number 10 producer of Dams of Distinction (DOD) for 2020 and there are many DODs to pick from in this spring group. Utilizing proven genetics is the best and fastest way to build a rock solid cow herd. Selection to be made by Feb. 1, 2021. Guarantee of six (6) embryos with no limit.

• PK Dottie 5175H has been as gentle as they come, from the first time Payton caught her. Her sire is the BPH ORCC El Chappo 4029E, who won the 2018 Ozark Empire Fair, Missouri State Fair and Tulsa State Fair Hereford bull shows. She'd make a nice show heifer but most importantly, will add top quality genetics to any herd.

• This polled 2296 daughter is a very long-bodied, powerful, maternal female. Her mother is one I purchased from AbraKadabra Cattle Co. and campaigned: having success at the Missouri State Fair, being named Overall Reserve Champion in the open show in 2013 and Reserve 4-H as a senior yearling in 2014. This heifer screams brood cow and is one I like extremely well.

- You got to love this little doll! Hallie is dark red, heavy pigmented, good structured and is a real sweetheart. Her dam is one of our top producers stemming back to two cow families that have worked great for me, the LJR Kayla 266N and PWF Maggie 46 31Z ET families. She is halter broke and would make a nice prospect for a young junior.

- This heifer was the first calf Joe noticed when he first looked through the herd, and rightfully so, with the power genetics she carries. Her sire is our Double Your Miles bull out of one of our Miles McKee x Two Timin "Harley" cows. 517H is a maternal sister to Lot 37, 316G. Their dam is a Dam of Distinction. Their dam and granddam were Reserve Champion Cow/Calf Pair at the American Royal and 2014 MHA Cow/Calf of the Year. This polled May heifer will be a true contender next summer in the summer division.

- 201H was a fan favorite at the IHA Tour in August. This polled heifer is freaky-fronted with tons of rib shape and depth of body. She is one of the first progeny of Oaks Done Deal, the 2019 MHA Show Bull of the Year. This heifer could be very competitive as a show heifer but even better once in production.
- Sells open

- This is a really nice bred female. She's moderate, easy fleshing, yet as attractive as you want one. She's so big-bellied, correct in her lines and flexible. This one will make an awesome cow as many of her sisters have done for us. Paternal sister was the champion polled junior heifer at the 2019 NWSS.
- Bred to NST GAT H 54B Ray 30F ET, who we have shown and has had his fair share of success, then pasture exposed from Feb. 15 to April 1, 2020 to Ray 30F. Ray is a maternal brother to Montgomery and Debarard. Should calve around sale time.

- Helen Edeane is our lead A1 heifer from Churchill Red Bull 200Z and one of our best cows, a Logic granddaughter.
- 221H is a deep dark red with eye pigmentation and eye appeal for the show ring and a front pasture future. Broke to lead.
- Sells open

- We dug deep to find a rare Mr Maternal daughter. She is a young, freckle-faced sweetheart. 38E is really nice uddered and has a done a terrific job in her calf-raising ability. Her first calf ratio'd 109 for WW and 112 for YW. These Mr Maternal daughters are the real deal!
- Bred back to our new performance sire, Homestead, who was used very heavy in our spring 2020 breeding season.

- 122H is another top prospect out of Auggie. She is up-headed, straight in her lines, nice square hip and just has a super slick look to her. The Auggie calves were the popular sire group at our sale this year and they are very consistent. Auggie will see heavy use here because of heifer calves like 122H. this heifer calf could easily wear a halter and stand some heat! Sells open.

- Major Donor Alert!
- This heifer has the beautiful phenotype, explosive growth and exceptional EPDs everybody wants to build a program around. Out of our Logic donor who is a DOD, this heifer is FREE of all known genetic defects! She sells halter broke. We think so much of this heifer, we are retaining the right to two flushes at the buyer's convenience and our expense. Don't miss out on this special opportunity.
