

# JNHE 2021 HEALTH REGULATIONS

## PHYSICAL ADDRESS FOR HEALTH PAPERS:

American Royal Association  
1701 American Royal Court  
Kansas City, MO 64102

*All animals exhibited must have a current health certificate/certificate of veterinary inspection (CVI) issued within thirty (30) days before the show. The certificate must be issued from the state of origin by a licensed accredited veterinarian. The animals must be individually identified stating that they have been examined and are free of contagious and infectious disease.*

## BREEDING CATTLE

1. Registration tattoo with papers or official ID tag
2. All livestock entering the show will be subject to examination by a show and/or State Veterinarian upon arrival and/or during the show. Any animal showing evidence of infectious, contagious, or communicable disease will be immediately withdrawn from the show, removed from the grounds, or held in quarantine at owner's risk and expense. These animals must remain in the quarantine area while on the grounds. Failure to cooperate may result in disqualification. There will be no refund of entry other fees on animals withdrawn.
3. All cattle will be inspected at the vehicle entry gate and then will be allowed to unload. Cattle will be individually viewed by state veterinarians in their stall later. It is the responsibility of all livestock exhibitors to have their health papers checked by the state veterinarians. Papers must be checked before animals will be allowed to show.
4. Out of State Exhibitors: If a permit is necessary for your animals to enter Missouri, an accredited veterinarian needs to request the permit from the Missouri Department of Agriculture (573)751- 3377, not more than 15 days prior to arrival at the American Royal Complex. Consult your veterinarian for interpretation of the requirements below. All animals moving interstate for exhibition must be officially identified on health certificate.

## BRUCELLOSIS

1. Breeding cattle from Brucellosis-free states may enter without a Brucellosis test
2. All breeding cattle, 18 months of age and over, from Brucellosis Class A states must be tested and negative within 30 days of the show.
3. Herds that are certified for Brucellosis may enter on their herd number. The herd number and test date must be recorded on the health certificate.
4. All steers must be individually identified on a current health certificate which states they are free from warts and ringworm as well as infectious, contagious, and communicable disease. No Brucellosis test needed.

## TUBERCULOSIS

All breeding cattle 6 months of age or over must meet one of the following requirements:

1. Originate from a Tuberculosis-free state.
2. All Michigan origin animals must be tuberculosis tested prior to entry into Missouri. Animals originating from Michigan require an entry permit.
3. Originate from a Tuberculosis-accredited free herd. The herd number and current test date must be recorded on the health certificate.
4. Test negative within 60 days.

*Please note: Health Requirements are subject to change;  
these requirements are posted as of 2/10/21*
