- Half-sister to Lot 35
- This Provident daughter has all the makings of a productive cow. She is functional and attractive. Her mother has been a good producing cow here, with a great udder, and she goes back to the Hazel cow family of Blueberry Hill Farms. The Hazel 805U cow was in one of Delaney, and Atkins top sellers in their recent sale.
- 144F was bred AI on April 18, 2020 to Loewen 4B GARFIELD B42 G24 ET. She had a bull calf by him on Jan. 29, 2021. This was our first Garfield calf born here.
