

**The 2021 Sires of Distinction list honors the Hereford breed's bulls who produce daughters that meet the highest standard of production.**

## **2021 Sires of Distinction Honored**

The job description for an ideal Hereford cow could be as follows: She should produce a healthy, growthy calf every year; she should calve as a two-year-old, and she should cause her owner absolutely no problems. These ideal cows are recognized as Dams of Distinction. A Dam of Distinction is the standard by which all Hereford cows can be judged.

The Sires of Distinction program recognizes superior Hereford bulls. The American Hereford Association Board of Directors initiated the program in August 2007 to recognize Hereford bulls that sire efficient, fertile and productive females. To be honored as a Sire of Distinction a bull must have produced daughters that have received at least seven Dams of Distinction awards.

Bulls attaining the Sire of Distinction status are recognized with "SOD" after their names when doing an animal or EPD inquiry on [Hereford.org](http://Hereford.org).

A list of the 87 sires recognized as Sires of Distinction for the first time follows.

Sire Name DoD#	Daughter Name	Registration No	Sire Name DoD#	Daughter Name	Registration No	Sire Name DoD#	Daughter Name	Registration No
