

Hereford Women | Vision Board

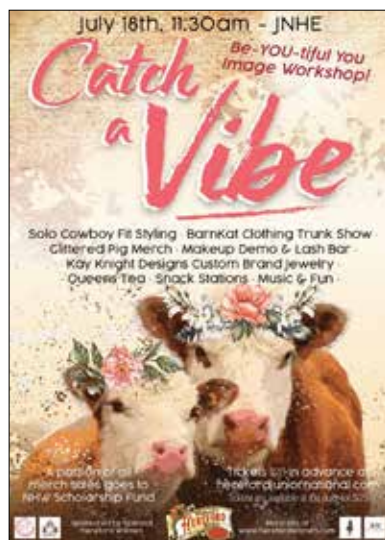

by **Kathy Bryan**

NHW directors met and planned a summer full of professional development, fellowship, fundraising and even shopping.

Great things are on the horizon for National Hereford Women (NHW). The NHW board of directors held its annual spring board retreat in Texas to plan the year's activities, which align with the NHW mission and vision statements. The NHW's mission is to welcome all Hereford enthusiasts to become active in Hereford programs, scholarships and activities. NHW members do all things Hereford with an open mind, open heart and the passion to be successful, according to the organization's vision.

Catch a vibe

We invite you to "Catch a Vibe" with us on July 18 at the Junior National Hereford Expo (JNHE) during our Be-YOU-tiful You Image Workshop. The event features Solo Cowboy Fit Styling, BarnKat Clothing Trunk Show,

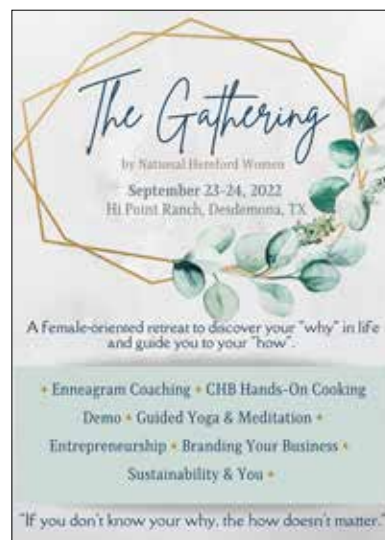

Glittered Pig Merch, Kay Nighter Designs Custom Jewelry, along with makeup demonstrations and a lash bar. Enjoy a style show, snack stations, music and fun. Catch a Vibe will be held in conjunction with the Queen's Tea.

A portion of all merchandise sales will go to the NHW Scholarship Fund. Tickets can be purchased on our new website, HerefordWomen.com, or at HerefordJuniorNational.com for \$20 or at the door for \$25.

New website, new merch

Speaking of the new NHW website, it is now live. You can learn about the organization, shop our store and pay your NHW dues at HerefordWomen.com.

Be on the lookout for new items to be added to the online store, such as a custom set of Hereford dishes! We look forward to unveiling these at our Ways and Means Booth at JNHE, along with new T-shirt and apparel designs. As requested, NHW will have a set of Hereford-inspired stickers available along with limited edition Hereford Christmas ornaments.

Gather in Texas

Be sure to mark Sept. 23-24, 2022, on your calendar and join us in Desdemona, Texas, at the Hi-Point Ranch for The Gathering: If you do not know your "why," the "how" does not matter. This event is a woman-oriented retreat to discover your "why" in life and guide you to your "how." We will offer Enneagram coaching, a hands-on Certified Hereford Beef® cooking demonstration, guided yoga and meditation sessions, business branding and entrepreneurship courses, along with discussions about sustainability. Be on the lookout for more information as we finalize the agenda for this amazing event!

We cannot wait to see you all in Louisville at JNHE; travel safely. **HW**
