

The Certified Hereford Beef Sire of Distinction (CHBS) program recognizes bulls in the Hereford breed excelling in bottom-line profit potential in the feedlot and on the rail. All bulls have the opportunity, but only a small percentage qualifies for this honor.

Bulls earning CHBS honors must:

- 1) Be in the top 25% for the CHBS profit index.
- 2) Have a minimum accuracy level of 25% for both ribeye area (REA) and marbling (MARB) expected progeny differences (EPDs).

Bulls achieving CHBS status are recognized with CHB after their names when searching an animal or EPD inquiry on Hereford.org. The American Hereford Association Board of Directors established the CHBS program in 2007.

Read on to see the 1,025 active sires recognized this year as a CHBS.
