## HERE'S HOW IT WORKS

Go to [www.LiveAuctions.tv](http://www.LiveAuctions.tv). Please note that you do NOT need an account to watch the auction, but you do need to register an account and request a buyer number if you wish to bid. If you have not created a new account since September 1st, 2020 you will need to click "Register" in the top right corner of the homepage and create a new account. Once you have completed the form on this registration page and hit the "Register" button you will receive an e-mail with a place to click on to verify you have entered a valid e-mail address. Once you have completed this registration process, find the auction you are interested in on the homepage and click on it (sales are listed in chronological order). You should then see a box that says Login. Now that you have an account with LiveAuctions just type in your E-mail Address and Password. You will now see a hyperlink at the top that says "Request a Buyer Number". The first time you request your first buyer number on LiveAuctions it will send you a text message with a verification code in it. Type the code from the text message into the area requiring it and you will then see your name along with a buyer number listed at the top of the webpage where the live video is and you will be able to bid. You will only have to complete this two-step verification process one time. After that you will be able to immediately request a buyer number on any auction without verification through an e-mail or text message again.

LiveAuctions no longer requires an app. If you wish to view/register/bid on a smartphone just type LiveAuctions.tv in whatever web browser you use. The registration process is the same as it is on a desktop computer, but the website is built mobile friendly. Click on the three lines in the top right corner to access the menus.

**Bidders who are successful in making purchases will be contacted by the ranch after the auction to settle payment and discover your shipping plans.**

**If you need help registering to bid or to view the auction please call Technical Support at (682) 816-4900 or e-mail us at [TechSupport@LiveAuctions.tv](mailto:TechSupport@LiveAuctions.tv).**

- We are really excited about the newest bull to enter our battery. We have been looking at bettering those carcass and CHB numbers, and this guy ... well, Balance speaks for himself. If you're a numbers person he should be checking some boxes, if not all the boxes! Calving ease for days, a hell of a steak and look at that picture — He's a heck of a bull! If you know me, you know footnotes are my least favorite thing to do, so just let the bull speak for himself. We have a limited semen offering on this guy so jump on it while you can! You are not going to want to miss out.

- This Historic son was named Champion Bull at the Ohio Premier Show this past summer and was shown extensively by Maci Atterholt. Backed by a pretty uddered, productive Ft. - Super sporty daughter of our powerful and productive 4013 sired donor, Ruby. Full sibs were popular features in our consignment to the Mohican and Guests Sale this past fall. We think this dark red, deep bodied, attractive heifer calf will find many friends, both young and old. Attractive enough to wear a show halter but bred to be a power cow.

• An opportunity to acquire the genetics of one of our most sought-after donor cows, 801. We have sold 801 offspring all over North America from River Valley in Canada to Skrivane in Texas to Storm Acres in New Jersey. The 801 offspring are always at the top of the crop in performance and stylish enough to grace the front pasture. These matings have resulted in tremendous offspring for us and we are confident they will work just as well for you.

- A maternal powerhouse! Lily 1H is a three-year-old, heterozygous polled cow. We purchased her mother at a J&L Friends Sale, from Glenview Farms, and we are glad we did. Lily 1H is a dark red, goggle eyed, maternal, correct, easy fleshing, easy moving, young cow. She did an excellent job with her first heifer calf out of Ridge 254G, we are retaining her. Her pedigree traces back to two maternal giants, Miss 801 and Kelly 3043.

- Miss Candy has what it takes in the show ring and on the farm. She is sired by our herd sire, Creek 2504 Knockout 907G, who was Grand Champion Bull at the 2019 Ohio Hereford Futurity and the 2020 EOHA junior show. She also has 2504 as a grandsire and 10Y on the bottom. Candy's mother is MDF so breed with confidence. I can say without a doubt that this heifer has been an eye catcher since she was born. If a remarkably soft hair coat and great disposition don't catch your eye, then the smooth, long lasting build and stout features will. Put the halter on and go have fun.

- I absolutely love the show heifer look that these two April heifers have. This heifer is the spitting image of her mother. She has done a great job and has the cow power that we are looking for. She is loose structured and has an exceptional amount of foot and bone. A massive hip, big rib cage and plenty of durability for long term use. Bailee is sired by Creek 2504 Knockout 907G that has done a great job for us. He was the Grand Champion Bull at the 2019 Ohio Hereford Futurity and the 2020 EOHA Junior Show. With 2504 on the top and Revolution 4R on the bottom of her pedigree, excellence is bred into her. This heifer has a very calm disposition.

- It is our honor to donate Katie's total sale proceeds to The OSU College of Veterinary Medicine Farm Animal Support Fund (310054).
- Katie is a pretty heifer with a super-sweet disposition! Her eyes are 100% pigmented. Katie's sire is the Select Sires bull, BEHM 100W CUDA 504C, a trait leader. We purchased her dam, "Kate", from Ellis Farms, Chrisman, IL. You will appreciate THF Katie's EPD graph. Katie's BMI\$, BIIS, and CHBS are in top 10%. She has top 10% CE and BW EPDs and top 30% WW to provide a good growth spread. She has 16 of 20 EPDs in the top 50% and 12 of 20 EPDs in the top 25%. You will surely like this "in your pocket" Cuda heifer.

EML St. Nicholas K121 has calving ease written all over him. Nick is deep cherry red with both eyes goggled. He has a big square hip and moves out smooth and easy. To top off his style and great EPDs is his disposition. Nick was shown last summer and is as quiet as they come. If you are looking for a bull, make sure you stop and see him in the stalls. This heifer calf is out of our old faithful "Gene" cow. Gene never misses. Usually, she has an outstanding bull. But in 2022, we were lucky enough to get a big boned, ring eyed heifer. Marti's dam is perfect uddered and easy doing. Marti is deep and sound. She's cool enough to show. But the true value is the cow power you get with this female.
