

# 2023

# JNHE

VITAFERM JUNIOR NATIONAL HEREFORD EXPO  
MAD DASH TO THE HEREFORD BASH  
2023 HEALTH REQUIREMENTS

MADISON, WIS.

## ALL CATTLE

- All cattle showing at the Junior National Hereford Expo (JNHE) must be accompanied by a certificate of veterinary inspection (CVI) documenting official animal ID and all required tests and certifications including current accreditation number if applicable.

*Physical destination address for health papers:*

Alliant Energy Center  
1919 Alliant Energy Center Way  
Madison, WI 53713

## CATTLE FROM WITHIN WISCONSIN

Cattle from within Wisconsin have no requirements for tests.

## CATTLE FROM OUTSIDE WISCONSIN

**Wisconsin has no reciprocal agreements with other states regarding the use of tattoos and registration numbers as identification. As a result, breed association tattoos and breed registration numbers are NOT accepted as official identification. In addition, brands are not accepted as official ID.**

*Acceptable ID's for all cattle from outside Wisconsin include:*

- USDA metal ear tag number that is part of the National Uniform Eartagging System (NUES)
- 15-digit "840" tags (visual or RFID)
- Valid only if applied before March 11, 2015:
  - Manufacturer-coded RFID tag - 15-digit number with the first three digits in 900s
  - American ID tag - 8 to 12-digit number prefaced with "USA"

## BRUCELLOSIS REQUIREMENTS FOR CATTLE FROM OUTSIDE WISCONSIN

- No current Brucellosis vaccination or testing requirements.

## TUBERCULOSIS REQUIREMENTS FOR CATTLE FROM OUTSIDE WISCONSIN

**Texas and Michigan's TB Free Zone**

- All cattle, regardless of age, will be required to have a negative individual TB test within 60 days of entering Wisconsin.
- OR**
- If the Texas or Michigan animals originate from a currently accredited TB-free herd, individual TB tests are not required but the accreditation number and date of the last whole-herd TB test must be on the CVI.
  - All states (**Except Texas and Michigan**) - no special TB testing is required.
  - Cattle from **MICHIGAN'S MODIFIED ACCREDITED (MA) ZONE (COUNTIES OF ALCONA, ALPENA, MONTMORENCY, AND OSCODA)** currently require:
    - Negative whole-herd TB tests within 12 months before arrival in Wisconsin for all animals 1 year and older
    - Negative individual TB tests within 60 days before entering Wisconsin regardless of age
    - Must return directly to the state of origin after the show, and there must be a statement on the CVI that they will be doing so
    - Import permit. Information on obtaining an import permit:
      - Online DATCP Home Animal Movement Permits ([wi.gov](http://wi.gov))
      - Email [DATCPAnimalImports@wi.gov](mailto:DATCPAnimalImports@wi.gov)
      - Call 608-224-4874
  - As requirements can change, for current requirements by state go to: DATCP Home Cattle & Bison Movement ([wi.gov](http://wi.gov))

## CATTLE FROM CANADA

Cattle from Canada must meet current federal requirements to enter the United States. (See [USDA APHIS | Import of Live Cattle and Bison from Canada to the United States.](#))

**FOR HEALTH REGULATIONS FOR YOUR INDIVIDUAL STATE, PLEASE CALL  
608-224-4874 OR VISIT DATCP HOME CATTLE & BISON MOVEMENT (WI.GOV)**
