

EGRESS   
 INGRESS 

Welcome to tieouts, please have your health papers ready for vet check. Cattle & health papers must be checked before cattle can enter the barns on Sunday morning.

Final push! For those trailers needing to go to trailer parking, please follow the yellow arrows indicated on this map to the south lot.

Lastly, you can unhook in the south lot for trailer parking. On behalf of all of us here at Hereford, we are so excited to welcome you all to Madison for a Mad Dash to the Hereford Bash!

Doing great! You are almost there! Depending on your stall assignments, a junior board member, intern or volunteer will direct you to either the north or south side of the barns or tieouts. Don't forget: efficiency makes the world go round! Please be mindful of those still in line waiting to unload

Congratulations, you have made it out of staging! At the next check point a friendly face will point you in the right direction to the barns or tieouts.
