

# Mad Dash to the **HEREFORD** Bash

**I**nternational Junior Hereford Association (NJHA) members made a mad dash to Madison, Wis., for the 24th annual VitaFerm® Junior National Hereford Expo (JNHE), July 8-14.

More than 800 junior members entered the 24th annual JNHE.

Exhibitors showed 551 owned polled females, 220 owned horned females, 277 bred-and-owned females, 37 cow-calf pairs, 72 bred-and-owned bulls and 108 steers under the bright lights of the Alliant Energy Center.

The 2023 JNHE wouldn't have been possible without the support of its title

sponsor, VitaFerm. Sponsorships from corporate and breeder partners are an essential part of the show's success.

Thanks for making a mad dash to this special section and keep flipping the pages to recap the fun-filled Hereford bash. **HW**
