NATIONAL JUNIOR HEREFORD ASSOCIATION

n October 2000, the American Junior Hereford Association (established in 1965) and the National Junior Polled Hereford Council (established in 1974) joined forces to become the National Junior Hereford Association (NJHA). The NJHA is one of the largest, strongest and most active junior programs in the country. Over the years, these associations have earned international and domestic respect as models for breed youth organization success. The NJHA continues this tradition, regarding the future with a progressive approach in an effort to develop more meaningful and much needed educational and informational youth programs that can be of benefit not only to the Hereford industry but to all of the beef and ag industry.

The NJHA is governed by a board of directors, with each person serving a three-year term. The members of the NJHA board of directors serve as ambassadors for the Hereford industry. As directors, they motivate their peers and promote the Hereford breed.

JUNIOR NATIONAL HEREFORD EXPO

The largest junior breed show in the U.S., the Junior National Hereford Expo (JNHE) is a highlight of the NJHA's activities. It is held each July, and is co-sponsored by the AHA, Hereford Youth Foundation of America and affiliated junior and state Hereford associations. Known to many as the ultimate family vacation, this summer show provides an opportunity for competition of both animals and owners. A hands-on type of program for youth provides educational, leadership and motivational information.

Many activities are showcased at the annual JNHE. These include:

- Bred-and-owned female, bred-and-owned bull, owned female, cow-calf and steer show competition
- Showmanship
- Scholarships and Awards: National Junior Merit Scholarship, Golden Bull Awards, Prospect Awards, John Wayne Memorial Scholarship, Walter & Joe Lewis Memorial High Point Senior Award, Bluegrass/Buckeye Scholarship, Hereford Herdsman Scholarship, Poll-ette Founders Scholarship, Charles E. Boyd Sr., and Mead Memorial Scholarships as well as many interactive contests, such as:

- Hereford Bowl
- Individual Sales and Sales Academy
- CHB Cooking Challenge
- Team Fitting
- Illustrated and Advanced Speaking Contests
- GKB Super States Contest
- Promotional Poster Contest
- Junior Herdsman of the Year
- · Golden Pitchfork Award
- Photo Contest entries on display
- Judging Contest
- Future Professionals Contest

FACES OF LEADERSHIP CONFERENCE

While the JNHE promotes the show cattle and summer fun aspects, the NJHA's annual Faces of Leadership Convention focuses on leadership development. Junior members from all over the country participate in the event each year. Since its origination in 1965, the convention has become an integral part of the junior association. During the three-day event, participants listen to nationally known speakers and participate in workshops which assist in the enhancement of the individual's leadership talents, communication and beef industry knowledge.

BOLD – BUILDING ON LEADERSHIP DEVELOPMENT

An elite leadership opportunity offered to individuals 18-21, that allows our Hereford youth to expand on skills gained at the Faces of Leadership Conference and encourage the development of personal leadership skills at an individual level.

NJHA FED STEER SHOOTOUT

Now in its sixth year, the NJHA Fed Steer Shootout is making this contest even more engaging as participants experience cattle feeding in a real world setting. The contest is open to pen-of-three or individual Hereford or commercial steers. More than \$20,000 in scholarships and awards is given to those participants who place high in the cattle feeding division and also in the educational division.

SCHOLARSHIP OPPORTUNITIES ABOUND

The NJHA is an organization devoted to the development of outstanding leadership and motivation to seek advanced education. Striving to provide the foundation upon which interested youth can build their future in the agriculture industry, the NJHA offers various scholarships and awards to its membership. In 2022 close to \$200,000 was awarded to NJHA members to further their education.

STATE FIELD DAYS AND REGIONAL SHOWS

Throughout the summer, approximately 25 state affiliates sponsor field days and/or regional shows. The AHA and NJHA board may help in planning and organizing activities, such as judging contests, junior cattle shows and various educational and fun-filled contests and competitions. The shows attract much of the attention during the state event. The main purpose is to encourage members participation and to demonstrate to NJHA members the importance of proper growth and development of heifers and bulls in building productive foundation purebred and commercial beef cattle herds of their own.

CONTEST AND AWARD RULES

Information on all youth programs, contests, scholarships and awards is available by contacting the AHA youth department. Visit our web site: *jrhereford.org*.
