## Supporting Youth this Summer

National Hereford Women (NHW) welcomes all Hereford enthusiasts and encourages participation in Hereford programs, scholarships and activities, according to the group's mission. Last summer, the NHW provided 11 National Junior Hereford Association (NJHA) members with scholarships to attend the Faces of Leadership Conference in Columbus, Ohio. Currently, major NHW fundraising efforts focus on raising the money to fully fund an account, which would send at least 10 NJHA youth to the Faces of Leadership Conference each year. With that said, the NHW has several events and activities happening this summer to support that effort.

NHW will once again attend Tennessee River Music Inc.'s Dixieland Delight Red, White & Black Production Sale May 3-4. The Hereford women will kick

Queen's Tea will be one of many NHW sponsored events held at this year's JNHE. Join the Hereford women in Grand Island, Neb., for Queen's Tea, the NHW membership meeting and a new, fun fundraiser planned for Sunday evening.

off the Cinco De Mayo fundraiser Friday evening during the cattle preview. The group appreciates Tennessee River Music allowing NHW to host this fundraiser at their facility.

Watch for new NHW/Hereford items available at the NHW booth during the VitaFerm® Junior National Hereford Expo (JNHE) in Grand Island, Neb. When planning your JNHE trip, don't forget about the Queen's Tea and the NHW membership meeting on Monday, July 8. Stay tuned for an exciting fundraiser the NHW is planning during "The Grand Daddy of 'Em All" Food & Fun Night and Cornhole for a Cause on Sunday evening, July 7.

Currently, NHW is also gathering consignments for a couple of online fundraising sales. For more information about consigning a show prospect to the Queen's Court Sale or donating a unique Hereford item, vacation, hunting trip, etc., to the Hereford

women please contact an NHW board member.

The NHW board of directors appreciates the support they receive from members and the Hereford family. With such generous support, the group is able to fund activities such as the National Hereford Queen program, Queen's Scholarship, Ostgaard-Breiner Educational Scholarship and various JNHE awards. NJHA members are the future of the Hereford breed, and the NHW is committed to supporting the youth now and in the future.

Check out the NHW website or Facebook page to stay up to date on current NHW events, activities and merchandise. **HW**
