FERTILITY • PERFORMANCE • EFFICIENCY • CARCASS

Sandhill Farms has bred the most sires qualifying for CHB Sires of Distinction in 2024, recognizing Hereford bulls excelling in bottom-line profit potential. Also, this year's sale bulls rank in the top 2% of the breed for maternal traits, measured by the Baldy Maternal Index. Regardless of your chosen marketing end point, the Sandhill Advantage offers unparalleled opportunity to improve fertility, performance, efficiency and carcass quality in any commercial cow herd.

"The cattle are hitting my goals of carcass value, carcass weight and fertility. Thank you for being a valuable part of our team by providing a genetic source whose offspring hit the marks that were predicted. By the way, the cows have bred back and are currently a BCS 6 going into fall and winter after weaning another good calf!"
