Understanding the Sales Digest summary

This year-end review summarizes the 2024 sales reported in the *Hereford World* and *Baldy Advantage*. The sales included occurred from January through December of 2024. Tables are organized by the top production and consignment sales.

Production sales are organized by ranges of lots sold, and then sorted by average, highest to lowest. Consignment sales are sorted by average, highest to lowest. Only bull production sales averaging \$4,500 or higher, female production sales averaging \$5,000 or higher and consignment sales averaging \$3,000 or higher were printed in this year-end review, but all 2024 sales reported in *Hereford World* and *Baldy Advantage* were used to calculate the monthly totals and yearend numbers.
