

The Sires of Distinction program — established in 2007 — recognizes superior Hereford bulls that sire efficient, fertile and productive females. To be honored as a Sire of Distinction, a bull's daughters must have received at least seven Dams of Distinction awards.

See Page 32 for the criteria a cow must meet to be recognized as a Dam of Distinction or visit [Hereford.org](http://Hereford.org) and click "Genetics" and select "Recognition Programs."

Bulls attaining the Sire of Distinction status are noted with "SOD" after their names when doing an animal or expected progeny difference (EPD) inquiry on [Hereford.org](http://Hereford.org).

The 75 sires listed here were recognized as Sires of Distinction for the first time in 2025. **HW**
