

Golf Swings, Scholarships and Service

For many, the VitaFerm® Junior National Hereford Expo (JNHE) is a time to exhibit projects, participate in contests and connect with old friends while also making new ones. It is a time to try new things, make memories and support our youth. This year, the National Hereford Women (NHW) are sponsoring the Hereford Invitational Golf Tournament. This is going to

be a fun experience for people to get out of the barn, network with others, and of course, work on their golf swing. We invite everyone to join us July 6 at the Pleasant View Golf Course in Madison, Wis. Sign up today, as only 24 teams are eligible to play.

Every year during the JNHE, the Hereford Youth Foundation of America (HYFA) awards more than \$50,000 in scholarships and prizes to various Hereford youth from across the country. The Hereford Women are proud to be a part of the many donors who support juniors by presenting 10 scholarships for National Junior Hereford Association members to attend the Faces of Leadership Conference, the Bud Snidow Award, NOP Founders Scholarship, Junior Golden Bull Award, Prospect Awards and more. Thanks to all the gracious supporters who have helped make it possible to award these scholarships year after year. We also extend a huge thank-you to the people who made an offering to our Queen’s Court online sale April 1. Your support enables us to continue operations, award scholarships and more.

Additionally, do not forget to sign up for the Queen’s Tea with our 2026 National Hereford Queen, Lauren Wingle. Join her and all the respective State Hereford Queens to enjoy fun, food and camaraderie. Keep an eye out for Lauren’s service project — Herefords in the City. Her project is designed to bridge the gap between agriculture and inner-city school students who may have little exposure to agriculture. It brings interactive agricultural education, hands-on activities and children’s books into classrooms. Her project aims to spark curiosity, build understanding and create lasting connections to agriculture. Please join her for the opportunity to write letters to students, sharing your personal experiences and stories about life on the farm. Also be sure to personalize a golf ball during the Queen’s Tea as a keepsake to remember all the fun you had during the 2026 JNHE. Lauren will also be accepting donations of agricultural-themed books and other related materials for local classrooms. **HW**
